We proudly introduce the 1950 Bradley ANAGA. This publication, formerly known as the POLYSCOPE, has grown with the University. Because Bradley has become known as the "home of the Braves," it is only fitting that this Indian theme be recognized by the university yearbook. With this in mind, a board of judges selected the Indian name, "Anaga," meaning, "place on a hilltop." The title was submitted by Miss Dawn Johnston, and was chosen from over fifty entries. We feel that Bradley and its students are truly reaching their peak or "place on a hilltop."

The Anaga

THE ANAGA - - - 1950

***B**RADLEY' University was founded in 1897 by Mrs. Lydia Moss Bradley. The school, one of America's strongest medium-sized universities, is situated on the bluff overlooking the beautiful Illinois River. The student body, which represents forty of the forty-eight states numbers nearly four thousand. A cosmopolitan air is created by the presence of seventy-seven students from foreign countries. The twenty-five acre campus is in the center of a district which provides religious, recreation, and shopping facilities. Shaded lawns afford a scenic background for relaxation and study during the warm months. Bradley, while offering a well-rounded curriculum plus cultural programs, remains an informal, friendly university.*

TO YOU AND ME

BRADLEY WAS A

ONE of Bradley's major additions in 1949 was the Inter-Fraternity Sing, in which the Greek groups compete vocally for a traveling trophy. All Bradleyites remember the impressive picture created as each group took their place on the steps of Bradley Hall. Lambda Chi Alpha was chosen as winner, becoming the first recipient of the trophy.

VERY IMPORTANT PLACE IN 1950

Welcome

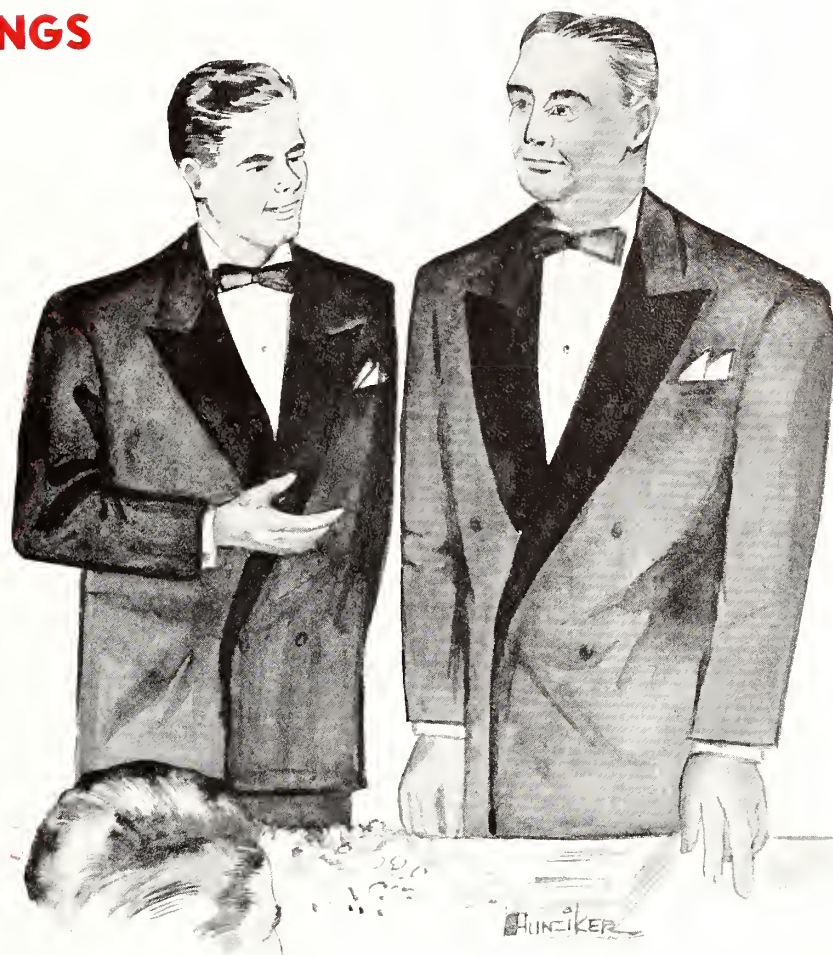

TO YOU AND ME BRADLEY WAS A LOT

OF BIG THINGS AND LITTLE THINGS

Picture a weekend evening in the fieldhouse. The audience is applauding the efforts of fellow students who have just presented "Tales of Hoffman." This scene is typical of the average Bradley student's interest in the cultural side of college education. The appreciation of fine art and music plus the individual culture gained by attending such school events as formal banquets combine to produce men and women capable of adequately meeting any situation.

TO YOU AND ME REGISTRATION MEANT PLANNING OF

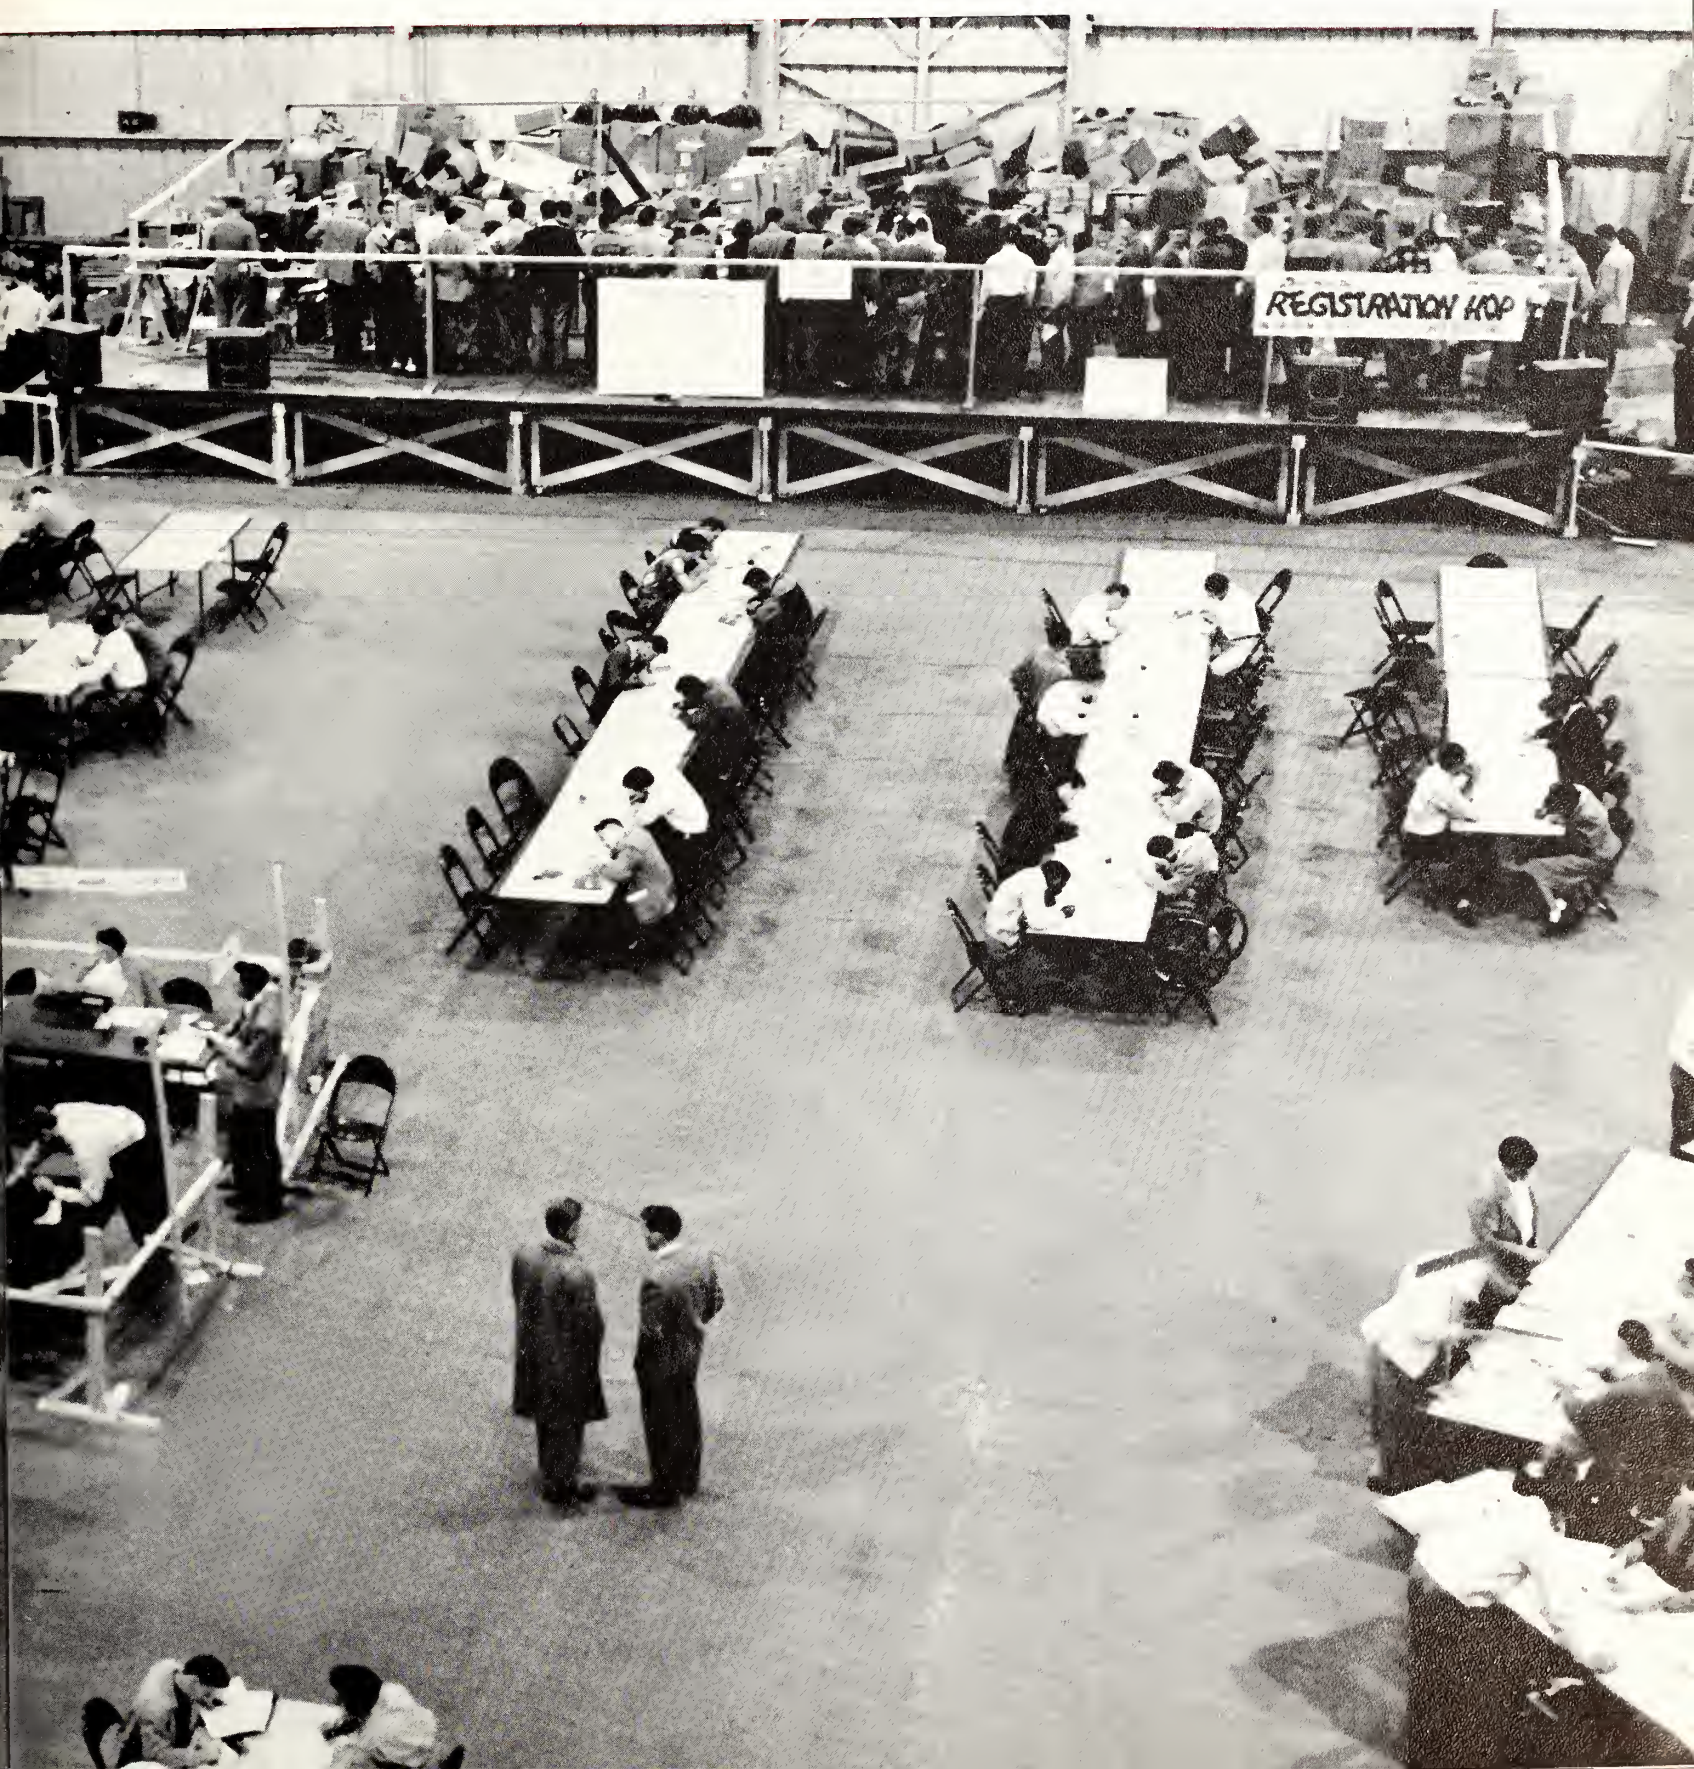

It's registration time! The fieldhouse buzzes with activity as students plan semester schedules. There are frequent shouts and

warm "hellos" as everyone greets friends who are returning to school for another year at Bradley.

CLASSES AND SEEING OLD FRIENDS

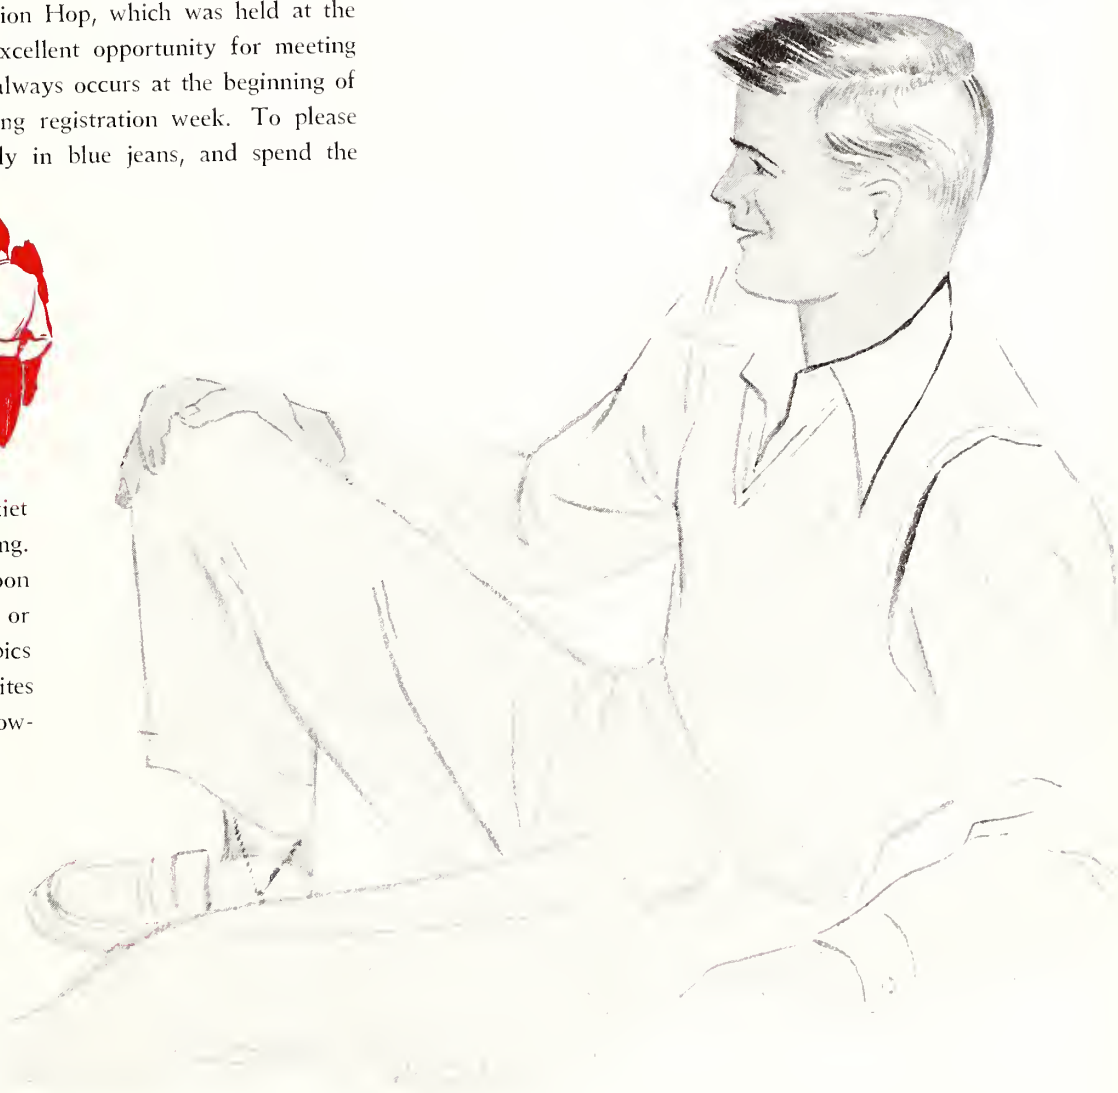

THE DAYS SPENT IN RELAXATION

It certainly is not a program of all work and no play for Bradley students. School sponsored events fill everyone's calendar, for they planned for every month of the year. One of the fine features of such affairs is that they are presented without cost to the students. During football and basketball season, you can find the campus crowd at the Tepee on nights when the team is playing out of town. These "listening-in-parties" are made even more enjoyable by the supply of free doughnuts and coffee which is always on hand. Eagerly anticipated by all are the school sponsored dances which are held regularly in the gym or the fieldhouse foyer.

Each holiday is saluted in this manner—here, too, students are invited to spend an enjoyable evening at the University's expense. One of the largest social events was the Registration Hop, which was held at the Inglaterra Ballroom. It provides an excellent opportunity for meeting and making new friends as the affair always occurs at the beginning of the fall semester, immediately following registration week. To please those who prefer to dress comfortably in blue jeans, and spend the evening in an in-

formal manner, the gym was transformed into a rural setting for a square dance with all the trimmings. Then, there are always

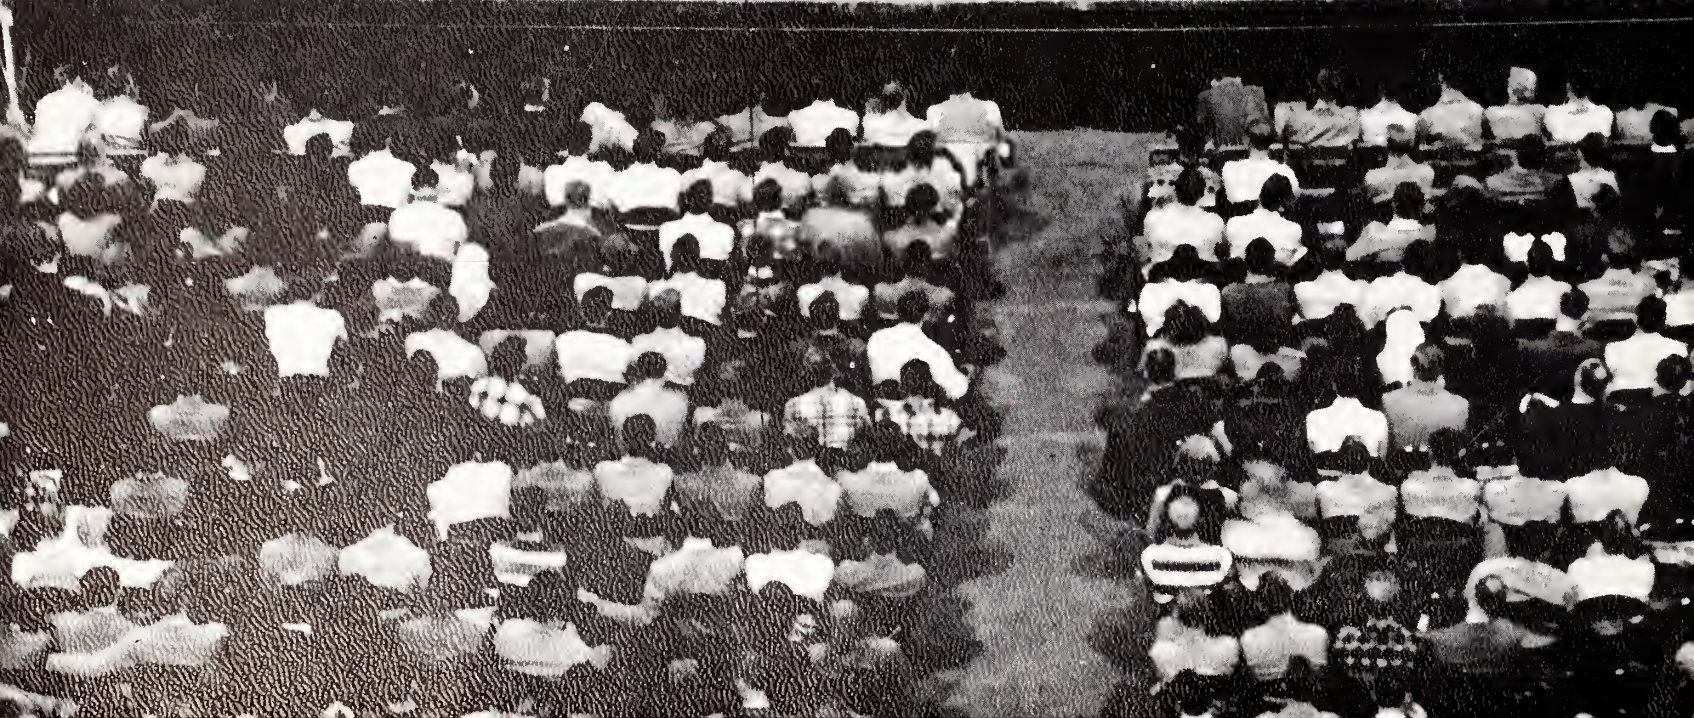

those students who find a more quiet form of entertainment the most relaxing. This relaxation may mean an afternoon spent reading on the spacious lawn or perhaps merely discussing current topics with friends in the Tepee. Bradleyites will always recall these moments, however they are spent.

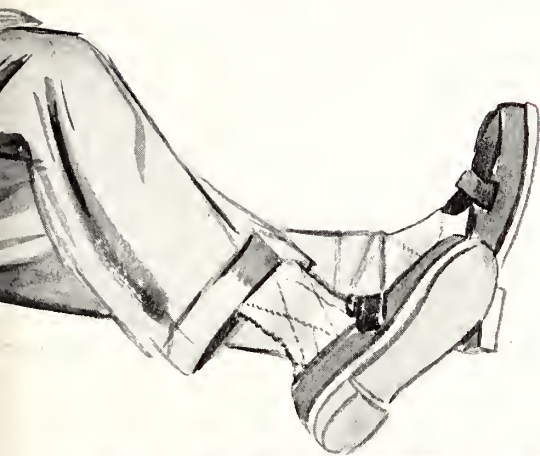

REMEMBERING THE

SCHOOL begins, and with its opening days comes the traditional all-university convocation. This is the first step into a year filled with study and campus activities.

YEAR'S FIRST CONVOCATION

Thirty-nine hundred students file into the fieldhouse and the college year's first convocation is opened. This is an annual scene at Bradley for it is here that all are welcomed by the administration. Dr. Owen extends his personal greeting to the student body and states the policies of the school.

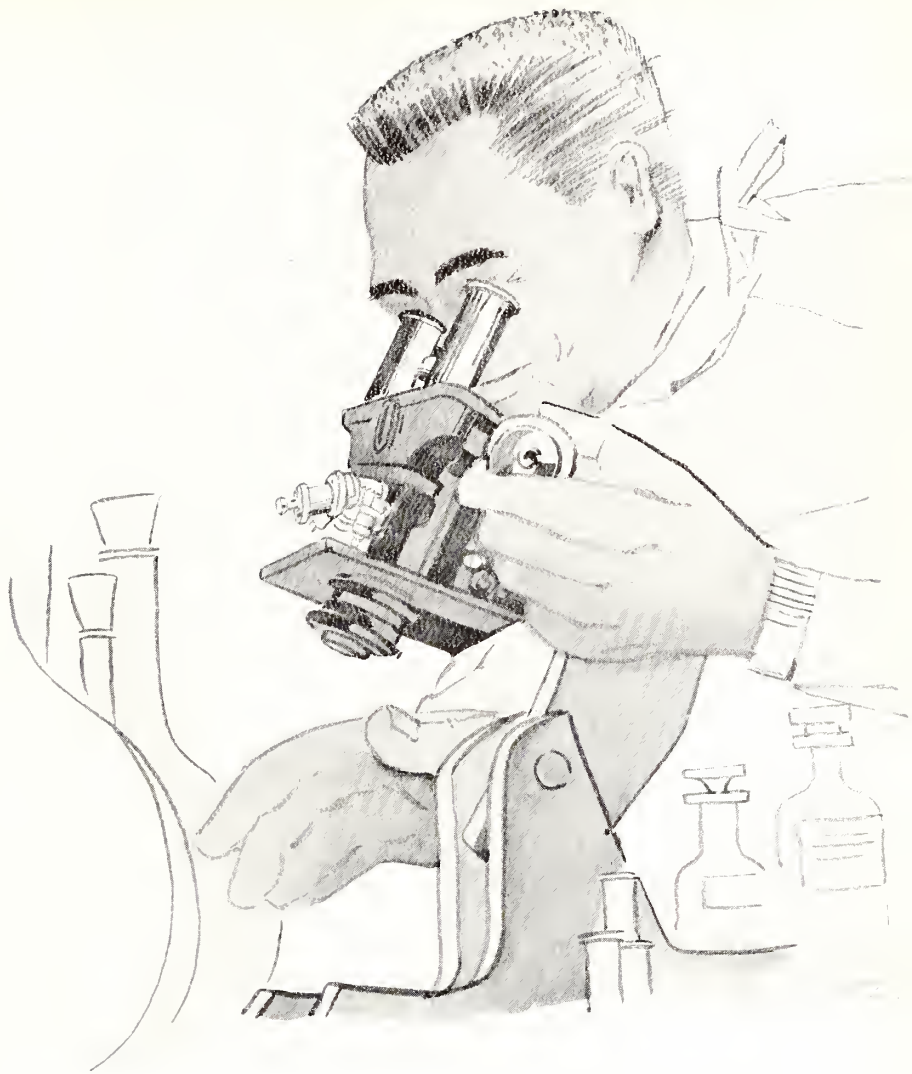

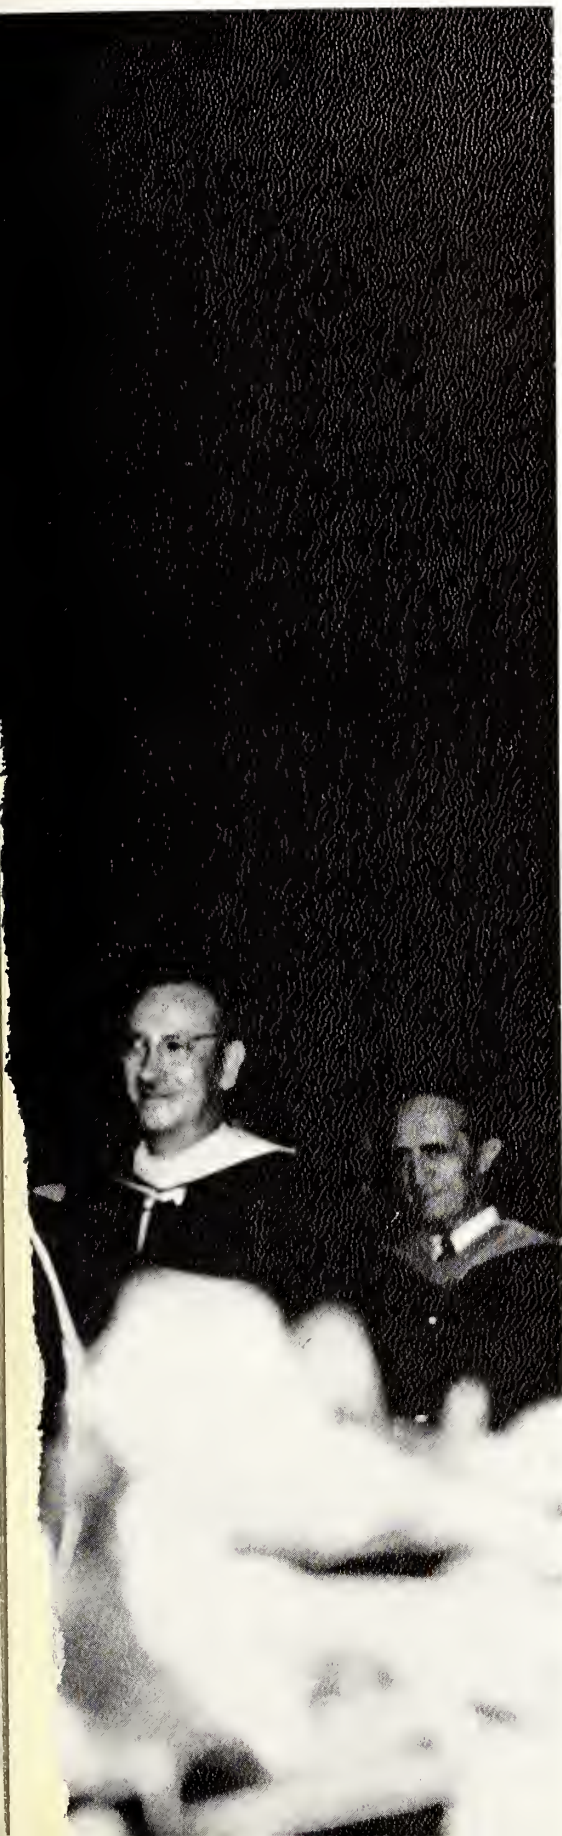

To aid in this day of orientation into the year's program, several faculty members give brief accounts of the work done by their department. The presidents of various campus groups also offer helpful information and advice. This convocation gives every person present a glimpse of their fellow students as all receive an insight into the year's events.

ANNUAL FOUNDER'S DAY IS A

MEMORABLE EVENT

The highlight of the fall semester was the impressive Founder's Day ceremony. This event is held annually to commemorate the founding of Bradley University in 1897. The measured tread of the colorful procession as it filed into the field-house, created an air of dignity characteristic of

the occasion. Dressed in the caps and gowns which denote their degree, members of the Bradley faculty walked two abreast down the aisle to the stage where they remained seated during the Founder's

Day program. The distinguished guest speaker for this ceremony was Mr. Everett M. Dirksen, well-known Illinois statesman. His topic dealt with the purpose of learning and the many benefits derived from being free to choose any field of study. These informative, educational opportunities help in preparing Bradley students to meet life scientifically and intelligently.

PLEDGING . . . A HAPPY AFFAIR

Many a college girl dreams of the day when she may proudly possess a fraternity pin . . . but it is necessary that her prospective beau first go through ceremonies entitling him to wear such an emblem. Formal fraternity pledging is one of the year's most colorful events. As each man accepts his bid, he joins the group amid the cheers of his new-found brothers. Horns, cannons, and sirens greet every pledge . . . the air of excitement and good feeling makes this an occasion to remember.

Awarding of trophies makes each Homecoming

Dance an important event on our college calendar

Perhaps the biggest Homecoming events are the annual gridiron battle and the Homecoming Dance at which awards are made to organizations judged as having the best float and house decorations. This year, first place trophies went to: Fraternities—House, Tau Kappa Epsilon, Float—Sigma Chi; Sororities—House, Pi Beta Phi; Float—Sigma Kappa.

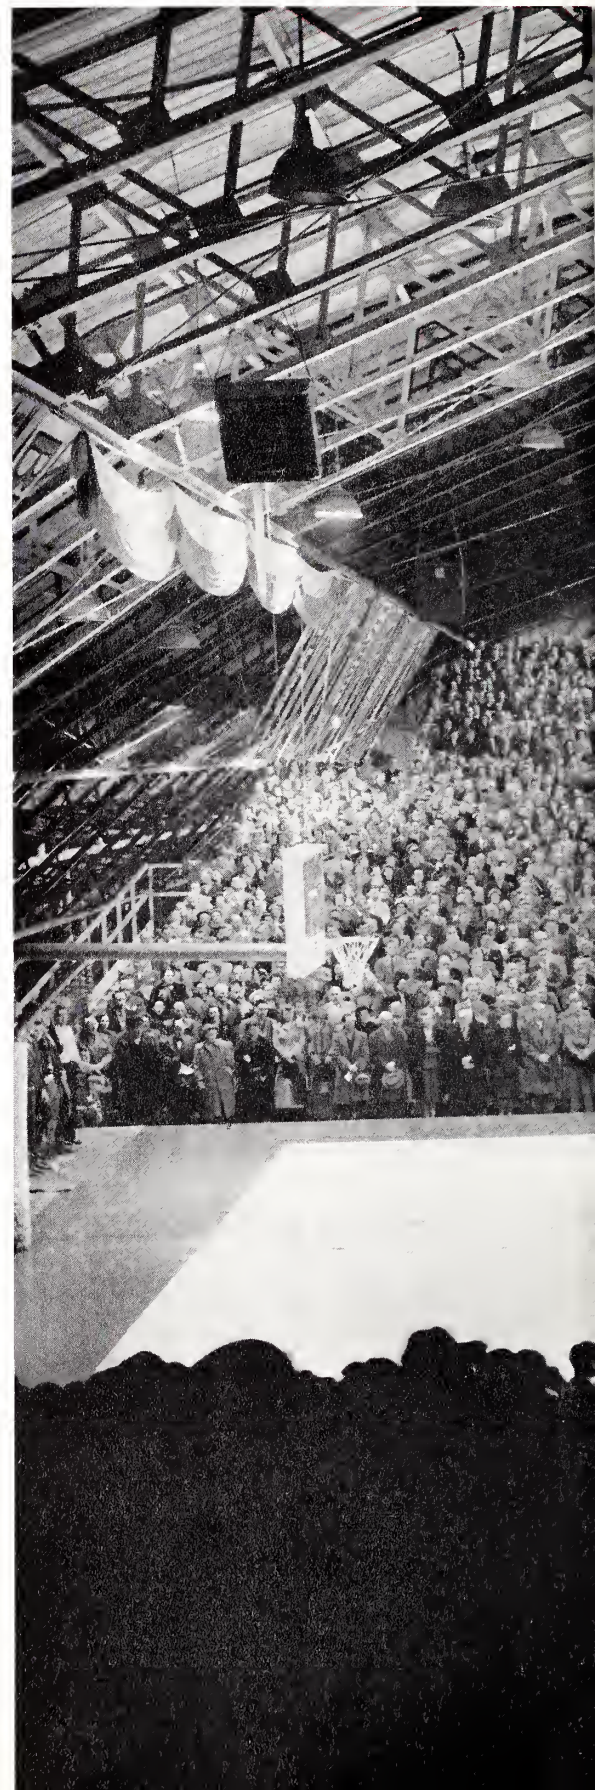

PROUDLY WE

The largest building of its kind in down state Illinois—this is a description of Bradley's Robertson Memorial Fieldhouse. We're very proud of the structure which was built in honor of A. J. Robertson, the University's late athletic director. Constructed at a cost of nearly one million dollars, the fieldhouse

seats 8,300 people, and was filled to capacity each week during the past basketball season. Enthusiastic students and Peoria basketball fans rocked the huge gymnasium as they cheered the Braves to their many victories. Possessing the largest unobstructed playing floor in the United States, the Robertson fieldhouse has been the scene of many inter-city and semi-professional basketball contests. Also in this building, many outstanding educators and performers have entertained large crowds of Peorians seeking cultural enjoyment.

HAIL . . . THE ROBERTSON MEMORIAL FIELDHOUSE

Dr. David B. Owen, Mrs. A. J. Robertson, William Robertson.

A FITTING TRIBUTE

The month of December, 1949, meant a great deal more to Bradley students than the traditional Christmas celebration . . . it also brought the dedication of the long anticipated Robertson Memorial Fieldhouse. On December 17, an impressive ceremony, which left tears in the eyes of many spectators, made it known that the huge building was a lasting memorial to Bradley's beloved "Robbie." Dr. David Blair Owen, President of the University, presented to Mrs. Robertson a lifetime pass for all athletic events. The erection of this fieldhouse is truly a fitting way to honor A. J. Robertson, who gave so much of himself for Bradley in its period of rapid

growth. "Robbie," as he was known to all associated with Bradley, was the guiding light of the athletic department for twenty-eight years. During this

time, he attained national recognition because of the many fine teams which grew under his tutelage. As long as the fieldhouse stands, A. J. Robertson's spirit of good sportsmanship will prevail.

FACULTY

WHEN considering the good points of the various colleges, thought should be given to the qualifications of the faculty. These are the men and women under whose tutelage the student receives the last phases of formal education. Bradley's distinguished teaching staff may be highly recommended for their background and ability in the classroom. One hundred fifty-seven full time faculty members can provide complete instruction in every subject. In addition to the full time group, the university also boasts a distinguished part time faculty division. This is made up of leaders in their field who instruct several hours of classes each

week. Included in this faculty group are men from such firms as Caterpillar, Keystone, and the Peoria newspapers. The faculty list also includes several foreign instructors whose presence at Bradley forges a strong link in the plan for better relations and understanding between the United States and many foreign countries.

Bradley, as one of the country's strongest middle sized universities, owes much of its recognition and success to the fine reputation of its faculty members.

DR. DAVID B. OWEN, President

As one of the youngest college presidents in the nation, Dr. David Blair Owen has moved Bradley's fortunes ahead at an unbelievably fast pace. He received his undergraduate training here at Bradley University and did his graduate work at Stanford University. Pictured with Dr. Owen is Everitt M. Dirksen, former Congressman from Illinois.

ADMINISTRATION

One of the joys of being a college faculty member or administrator is that we may watch succeeding generations of students come to our campus as freshmen and follow their progress through their college days. It is a real source of satisfaction to be associated with them as they "grow in wisdom" and become mature, enlightened men and women.

Just as it has been a thrilling experience for us of the faculty to have had a part in this development of men and women during their college days, so it will be a lasting privilege for us to continue a close association with these graduates in the challenging years which lie ahead. As the word "commencement" suggests, graduation does not mark an end, but rather a beginning—a beginning of rich and fruitful adult life for the graduate, and a beginning of the very closest and finest relationship between the graduate and his Alma Mater.

In these days of "cold war," cynicism, and uncertainty, the devotion of a graduate to his Alma Mater

and the pride of Alma Mater in "its family," give reassurance that our sense of the higher values has not been lost. It is our fondest hope that the undergraduate years on this campus, the college friendships, our individual and collective triumphs and disappointments, our striving together to build a greater university, have furnished a foundation upon which every one of us will build a fuller and more useful life, and which will equip us better to make our necessary contributions to the preservation and improvement of our complex world society and our democratic way of life.

This has been a year of unparalleled growth and development for our university. It is the result of the increasing loyalty and devotion of our students and faculty. May the years that lie ahead mark the steady continuation of that growth and of an era of greater accomplishment and service by all Bradley men and women!

Dr. David B. Owen, *President*

Mr. Robert Jamieson, as assistant to the President, aids in the administration of the University. He also represents President Owen whenever it is impossible for him to appear at a function in person.

Cecil M. Hewitt, former Dean of the Technical College, now acts in the capacity of Vice-President of Bradley University. Mr. Hewitt has been with the college for thirty-three years.

Dean of the University

Chester E. Sipple, Ph. D.

Dr. Sipple is Dean of the University and Head of the History Department. He received his B. A. and M. A. degrees as well as his Ph. D. from the University of Iowa.

Leslie H. Tucker, M. S.

Leslie H. Tucker, Dean of Students, did his undergraduate work in Industrial Arts at Bradley University. He later attended the University of Illinois and obtained his M. S. in Psychology. Mr. Tucker was Principal of the Senior High School in West Lafayette, Indiana, before coming to Bradley in 1947.

Dean of Students

Dean of Men

Clarence W. Schroeder, Ph.D.

Dr. Schroeder, Dean of Men and head of the Sociology Department, received his B. A. from Southwestern College in 1913, his M. A. from the University of Kansas in 1914, and his Ph. D. from the University of Chicago in 1938. He has been at Bradley University since 1920.

Olive B. White, Ph.D.

Dr. White, Dean of Women, received her B. A., M. A., and Ph. D. from Radcliffe College in 1918, 1919, and 1926, respectively. She has been at Bradley since 1927.

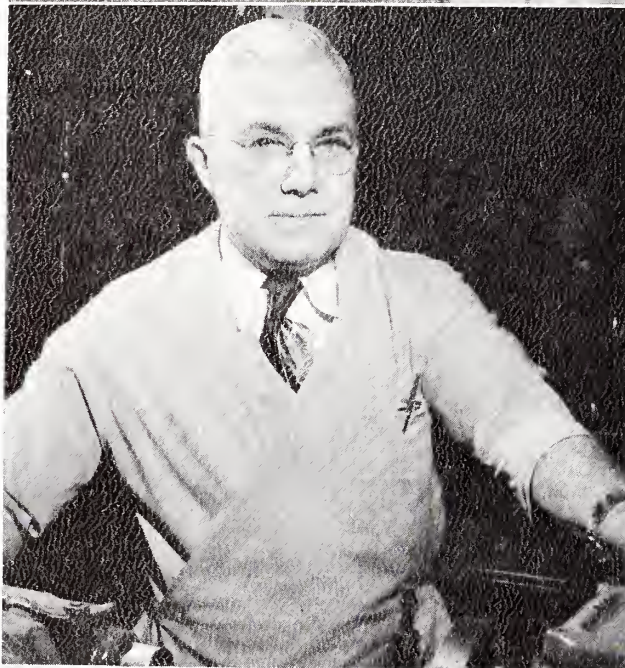

Dean of Women

Alexander Baird, Ph. D.

Dr. Baird, head of the Economics department, obtained his B. A., L. L. M. at the University of Warsaw and his Ph. D. from the University of Paris. Dr. Baird is listed in "Who Knows and What" as an outstanding expert in international economics; nationally known lecturer under the management of the National Lecture Bureau, Chicago.

Dr. Baird held a research fellowship of the Entraide Universitaire Internationale of Geneva, Switzerland, and the Pan-American Research Fellowship of New York University. He was a Professor at Babson Institute of Business Administration.

Philip Becker, Jr., M. S.

Mr. Becker is head of the Metal and Woodwork Departments. Mr. Becker, a native of Peoria, attended Bradley University for his undergraduate work. Advanced study and technical training for his M. S. was received at Kansas State College.

Last year saw many changes in the physical appearance of the Metal and Wood Departments. Modernization and added facilities have made it possible to improve the work of the departments in training the hand as well as the mind.

Beatrice Benson, A. M.

Professor Benson, head of the Division of Home Economics, received her A. B. degree from the University of Chicago, and her A. M. degree from Columbia University.

Professor Benson manages the Winship House which is a practice house for all Smith Hughes Home Economics majors.

A. J. Bergstrom, M. A.

Mr. Bergstrom has been director of Athletics and football coach since the fall of 1948. He did his undergraduate work at Illinois College and he received his M. A. from the University of Iowa.

Herman Blickensderfer, M. S.

Professor Blickensderfer, head of the General Engineering Department, is a graduate of the Missouri School of Mines. He has been at Bradley University since 1947. He has contributed outstanding articles to nationally known magazines.

J. Herbert Burgy, Ph. D.

Major fields of interest are Economic Geography and Regional Geography (the Americas and Western Europe). Research in hand pertains to the delimitation of the agricultural, mining, and manufactural regions of Illinois. Advanced work this year emphasizes the Physical and Cultural Geography of Illinois.

Mr. Lucy (M. A., Northwestern) and Mr. Ryan (M. A., Missouri) offer work in Physical and Historical Geology.

Asa Carter, M. S.

Asa Carter, Registrar since 1935; on the teaching staff from 1920 to 1935. Undergraduate work done at Bradley University; graduate work at the University of Chicago and Iowa State College.

Charles Crookshank, M. A.

Mr. Crookshank serves as head of the Automobile and Aeronautics Department. His undergraduate work was taken at the University of Illinois and Bradley University. His graduate work has been at Columbia University and M. I. T.

Fred Edwin Dace, E. E.

Professor Dace, a graduate of the University of Illinois, has been with Bradley since 1921.

He is associate dean of Bennett College, professor of Electrical Engineering, head of department of electricity, and author of "Direct Current Electricity," now used as text material in the college.

Edwin Heyse Dummer, Ph. D.

Dr. Dummer, head librarian and professor, received his master's degree and the Ph. D. in the field of Humanities from the University of Wisconsin and from Northwestern University, respectively. Dr. Summer has an additional master's degree in Library Science from the University of Chicago.

Berne Enslin, M. A.

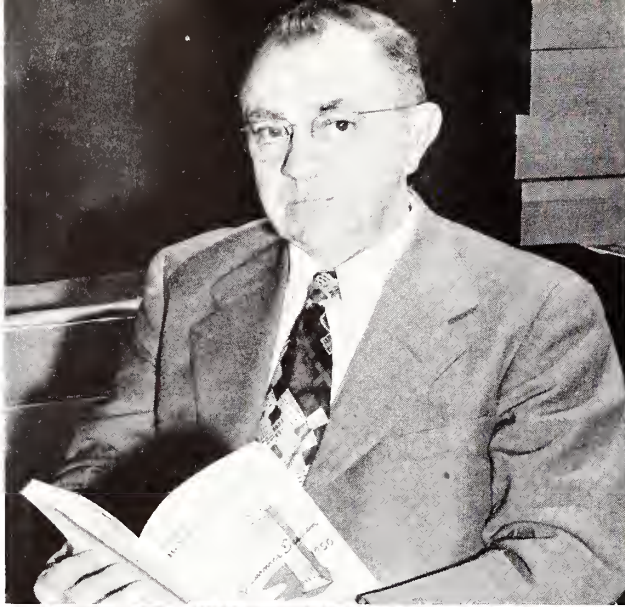

Professor Enslin is director of the Division of Dramatic Arts. A graduate of the University of Iowa, he has had graduate study and staff work at the famous Goodman Theater in Chicago. The Division of Dramatic Arts produced a continuous offering of smart entertainment including productions of JOHN LOVES MARY, HEAVEN CAN WAIT, NIGHT MUST FALL, and PURSUIT OF HAPPINESS.

Ernest Bradfield Freed, M. A.

Mr. Freed is the head of the School of Art. He did his undergraduate work at the University of Illinois, studied at the Pennsylvania Academy of Art in Philadelphia. He received his M. A. from the University of Iowa.

Ellis Kingsley Frye, Ph. D.

Dr. Frye is director of Summer Session and professor of Education. Dr. Frye has been with Bradley since 1923. He received his M. A. from Chicago University in 1928 and his Ph. D. from Nebraska University in 1934.

Arthur Eugene Gault, M. S.

Professor Gault, Dean of Bradley College and head of the Mathematics Department, received his degree of B. S. from Grove City College, Grove City, Pennsylvania. He earned his M. S. degree at the University of Chicago. Mr. Gault has done outstanding work in the field of astronomy.

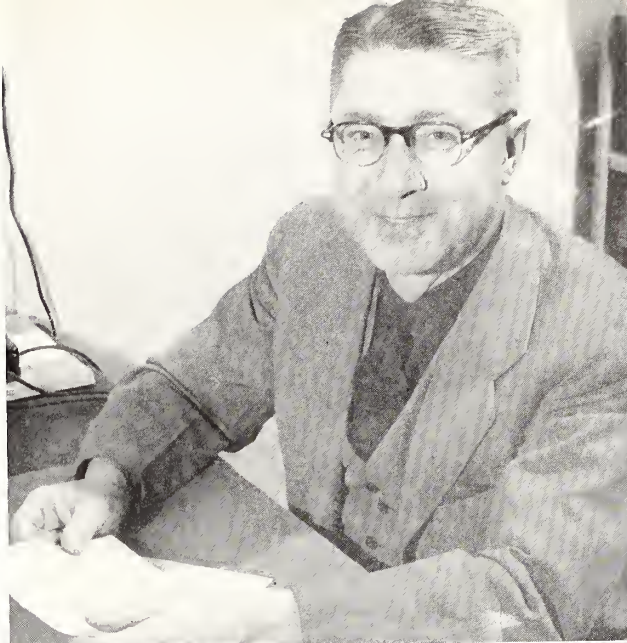

Russell E. Gibbs, M. E.

Dean Gibbs of the School of Engineering attended Purdue University, where he received his B. S. and M. E. degrees. As a graduate student he was awarded a Master's degree in Mechanical Engineering at the University of Minnesota.

Donald E. Gorseline, Ph. D.

Dr. Gorseline, a native of Indiana, received his A. B., M. A., and Ph. D. degrees from Indiana University. He has taught in public schools and Indiana University.

As director of Adult Education he administers the following: Cooperative Education, Evening Division, Extension Division, Correspondence courses, and Short unit non-credit industrial and business programs.

Mr. Grisafe heads the Accounting department of the School of Business Administration. He took his undergraduate work at the Bowling Green College of Commerce, Bowling Green, Kentucky, and has studied also at Duke and Northwestern Universities.

Bennett Moorhead Hollowell, Ph. D.

Dr. Hollowell, head of the English Department, has been with Bradley since 1928. He received his A. B. degree at Oberlin College and his A. M. and Ph. D. at Harvard.

Florence Jean Hosafros, A. M.

Associate Professor, head of the Department of Health and Physical Education for Women; Miss Hosafros received her A. B. at MacMurray College in 1935, and her A. M. at the University of Michigan in 1940. She has been at Bradley since 1943.

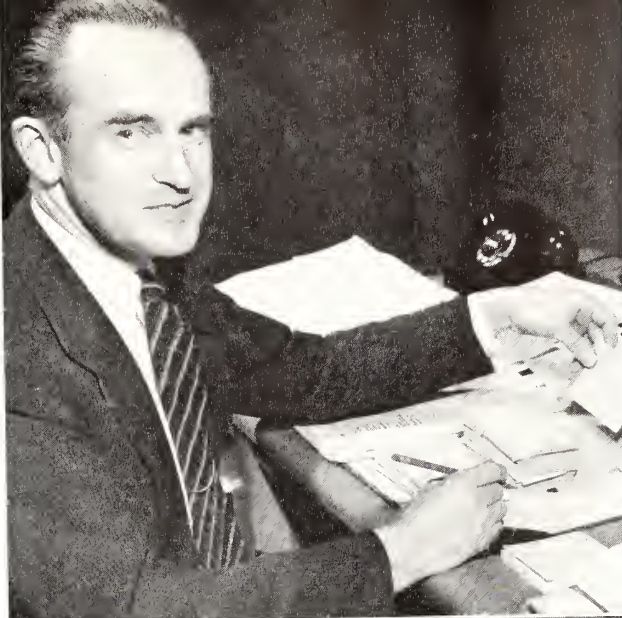

Kenneth V. Kincheloe, M. M.

Mr. Kincheloe, Director of the School of Music, received his Bachelor and Master of Music degrees from the University of Michigan. He was a public school music supervisor for eleven years prior to entering the college field of music administration.

During his administration the School of Music has been accredited by the National Association of Music with special praise for its excellent teaching staff and its scholastic standards.

Raymond Lepley, Ph. D.

Dr. Lepley, Professor of Philosophy, received his A.B. at Hiram College in 1926; transferring to Columbia University, where in 1930 he received his A.M. and in 1931 his Ph.D. He has been at Bradley University since 1930.

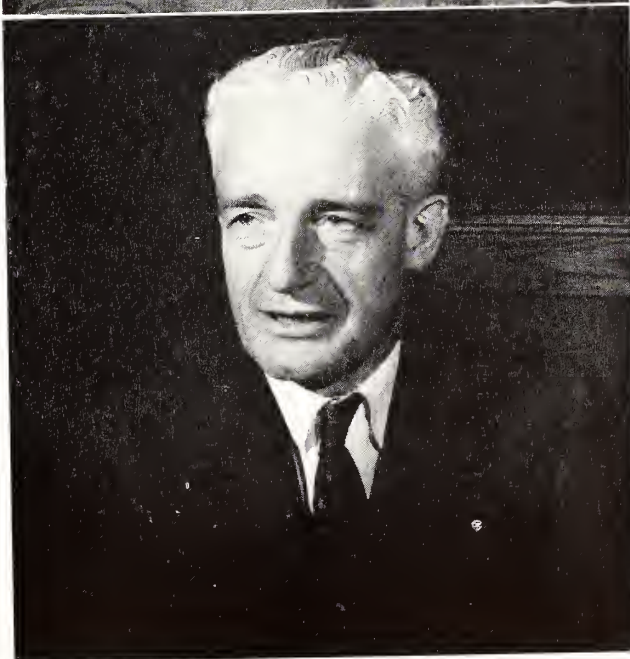

Lawrence M. Lew, M. A.

Mr. Lew, formerly Dean of the University of Nanking, China, is head of the Political Science Department at Bradley. He is a graduate of the University of Nanking and obtained his Masters' degree at the University of Chicago. Mr. Lew has held a number of positions of responsibility in the Chinese government and was executive secretary of the Chinese UNRRA.

Manley E. MacDonald, Ph. D.

Dr. MacDonald, Dean of the School of Education, formerly of Pennsylvania, attended Greenville College, where he received his A. B. degree, and the University of Michigan, where he received his Ph. D. He is listed in "Who's Who in America," in "Who's Who in Education," and in "Leaders in Education."

Paul McCorkle, Ph. D.

Dr. McCorkle, head of the Physics Department, received his B. S. degree at Ohio State. He obtained his M. S. in 1922, and his Ph. D. in 1924 from Cornell University.

Dr. McCorkle is the author of many books, one of which is currently used in the Physics Department of Bradley University.

Clara Krefling Mawhinney, Ph. D.

Dr. Mawhinney, head of the Speech Department, received her B. A. at the University of Minnesota in 1924, and her M. A. at the University of Wisconsin in 1929. She did graduate work at Columbia University in the summer of 1925 and at the University of California in the summer of 1926. She obtained her Ph. D. from Louisiana State University in 1937 and has been at Bradley since 1937.

Edward O. Meadows, B. E.

Lt. Colonel Edward O. Meadows is Professor of Air Science and Tactics at Bradley. He received his B.E. degree from Illinois State Normal School in 1937. Lt. Colonel Meadows served overseas with the 5th Air Force in Asiatic Pacific Theater as Wing Operations Officer. He was Assistant Professor of Air Science and Tactics one year at the University of Illinois before coming to Bradley in August 1948.

Francis G. Mergen, M. S.

Mr. Mergen obtained his M. S. degree from the University of Illinois in Mechanical Engineering. His master's degree was obtained from Columbia University in Industrial Engineering. He spent one year as a research assistant at the University of Illinois and five years of industrial engineering mainly in the aircraft manufacturing field.

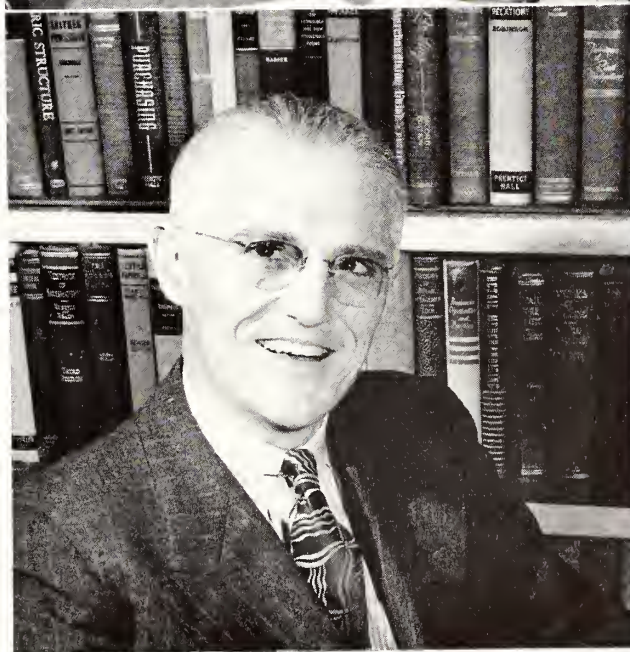

Peter Ortiz, Ph. D

Dr. Peter Ortiz is head of the Modern Language Department. After several years of study and of college teaching in California, where he received his master's degree, Dr. Ortiz returned to Spain where he completed the requirements for the Ph. D. at the University of Barcelona. Due to the Spanish Revolution he transferred his activities to the National University of Mexico in Mexico City where he was formally awarded his Ph. D. in 1941. Dr. Ortiz taught at the National University of Mexico.

Kenneth L. Richards, M. S.

Mr. Richards is head of the Marketing and Retailing Departments. He received his B. S. degree from Drake University in 1928. His graduate work was carried on at New York University School of Retailing, where he received his master's degree in 1929. During his graduate work he was affiliated with several of New York's large stores. He taught at St. Louis University and carried out further graduate work from 1930 to 1945.

Edward J. Schlegel, M. Ed.

Professor Schlegel is head of the Technical Drawing Department at Bradley. An alumnus of Bradley, he received his graduate degree from Marquette University. One of the real veterans of the faculty, Mr. Schlegel has served here since 1921. He is known to hundreds of alumni throughout the country as the composer of the "Bradley Loyalty Song." Mr. Schlegel was also leader of the Bradley band for many years.

John H. Shroyer, Ph. D.

Alma College is the alma mater of Bradley's head of the Chemistry department. Dr. Shroyer received his M. S. and Ph. D. from the University of Chicago. Dr. Shroyer was instrumental in advancing the Chemistry Department to the position by which they can award a Ph. D. in Chemistry. This was made possible through the co-operation of the Northern Regional Research Laboratory of the United States Agricultural Department.

Carl E. Smith, Ph. D.

Dr. Smith, head of the Psychology Department, left his position as chairman of the Department of Psychology at Skidmore College, New York, in the fall of 1948 to come to Bradley. He is a graduate of Bates College, Maine, and did all of his graduate work at Harvard.

Fred Strickler, Ph. D.

Mr. Strickler, Dean of Bennett College, did his undergraduate work at Teachers College, Columbia University. Before coming to Bradley he was an Associate Professor at Teachers College. Dean Strickler, is a member of the Illinois and American Vocational Associations and The Industrial Arts Conference. He is also the founder of the Industrial Educator's Supervisory Conference.

Loyal G. Tillotson, M. B. A.

Dean Tillotson is head of the School of Business Administration. He studied at the University of Chicago as an undergraduate, and received his advanced degree from Northwestern University. He is listed in Who's Who in Chicago and Illinois, in Who's Who in American Education, in Directory of American Scholars, and in Who's Who in America.

Harry S. Watson, M. S. J.

Bradley's Director of Public Relations and head of the Journalism Department received his B. A. degree from Colorado College and the master's degree in Journalism from the Medill School of Journalism, Northwestern University. He has worked for the Publishers' Auxiliary in Chicago, the United Press and the *Stars and Stripes* overseas as reporter, correspondent, feature writer and managing editor. Before coming to Bradley he was Public Relations Director at Colorado College and associate professor of Journalism at South Dakota State.

The academic procession proceeds toward the Robertson Memorial Fieldhouse for the Commencement exercises.

ANAGA FEATURES

ALTHOUGH the primary function of any college is concerned with classroom achievement, extra-curricular activities also occupy a position of importance. These free hours, whether they be spent in serving on a committee, or attending a social function, will long be remembered by all students. In future years, we'll smile as we recall the long hours spent in Homecoming preparation . . . the lasting friendships that began during stunt show practices, and the good natured rivalry as competing groups labored on floats and house decs. Then, the beautiful parade, the football game, and the thrill of the Homecoming ball, as we danced with our "special" date . . . how the cheers rang out as our group won a first place trophy. On the cultural side, we'll look back upon the 1949 lecture series . . . famous performers and speakers gave us an insight into science, the arts, and world affairs. Some of the outstanding

programs featured James Melton, Cornelia Otis Skinner, Will Durant, The Town Meeting of the Air, and Joe E. Brown.

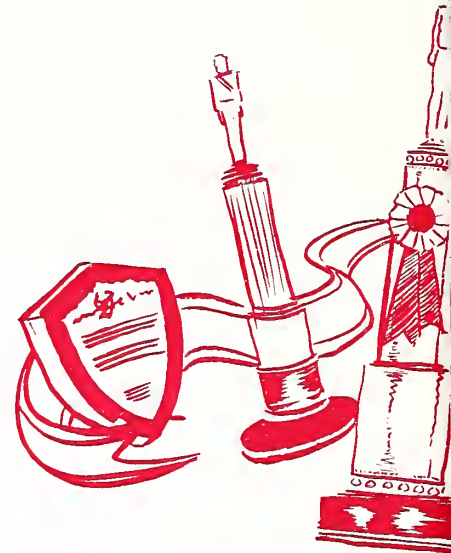

Practical experience for post-graduate years was gained as all Bradley students participated in the many campus elections. We democratically selected our representatives for various offices and honorary positions, by casting a vote at polling places located in the Tepee, student union. Here, many spent free moments over coffee

and a quick snack. Others utilized spare time for working on campus. School dances, Greek house parties, and the formal season offered maximum enjoyment, and added a gay touch to the social side of life at Bradley. Another outstanding feature of the past year was the selection of five lovely coeds who reign as ANAGA Queens. The girls, who represent each of the four sororities and the independent group, were chosen for their beauty and charm. No one will deny that they are deserving of this queenly rank.

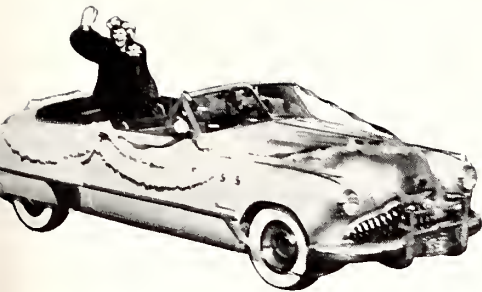

BRADLEY IS ON PARADE!

New Orleans has its Mardi Gras; California may boast of the Parade of Roses; but Bradley has its annual Homecoming Parade! No student will ever forget this colorful procession representing the various campus organizations. The parade of elaborate floats is the product of many days and nights of hard work plus unexcelled school spirit. It is truly a big day when the Braves are . . . On Parade!

A typical grouping floats as seen in the 1949 parade. Thousands of Peorians lined the streets to view this twenty-four block procession.

Right: Corky Robertson, son of the late A. J. Robertson, carries the ball during the freshman-sophomore Homecoming game. The Bradley men held their own over the St. Louis freshman team, making it a victorious afternoon.

Queen for three days! . . . this was the reign of Miss Barbara Lehman, Homecoming Queen. Barbara was selected by a board of judges on the basis of her poise, beauty, intelligence, and charm. Before reaching this final judging, each candidate must have had the approval of the entire student body as voiced by a campus election. The five coeds with the highest number of votes were then on their way to the last phases of selection.

The next step required was that they attend a luncheon with the judges . . . here, in informal surroundings, the final choice was made, but was not announced until the last performance of the all-school stunt show.

The Queen's lovely attendants were Rita Chandler, a member of Gamma Phi Beta, and Colleen Cassidy, of Chi Omega.

As well as reigning over all Homecoming events, Barbara received many gifts from Peoria merchants and appeared on a local radio program.

IT'S A BIG NIGHT

As a climax to Homecoming weekend, a capacity crowd of students and alums filed into the Ing to enjoy the last phase of the celebration. While the crowd waited anxiously for the 11 o'clock presentation of awards for house decorations and floats, they danced to the music of Tony Pastor and his orchestra. Even though every "college Joe" did not have an opportunity to dance with the Homecoming Queen, she was the spirit of the evening's date for every Hilltop man.

ONE MORE VIEW OF THE

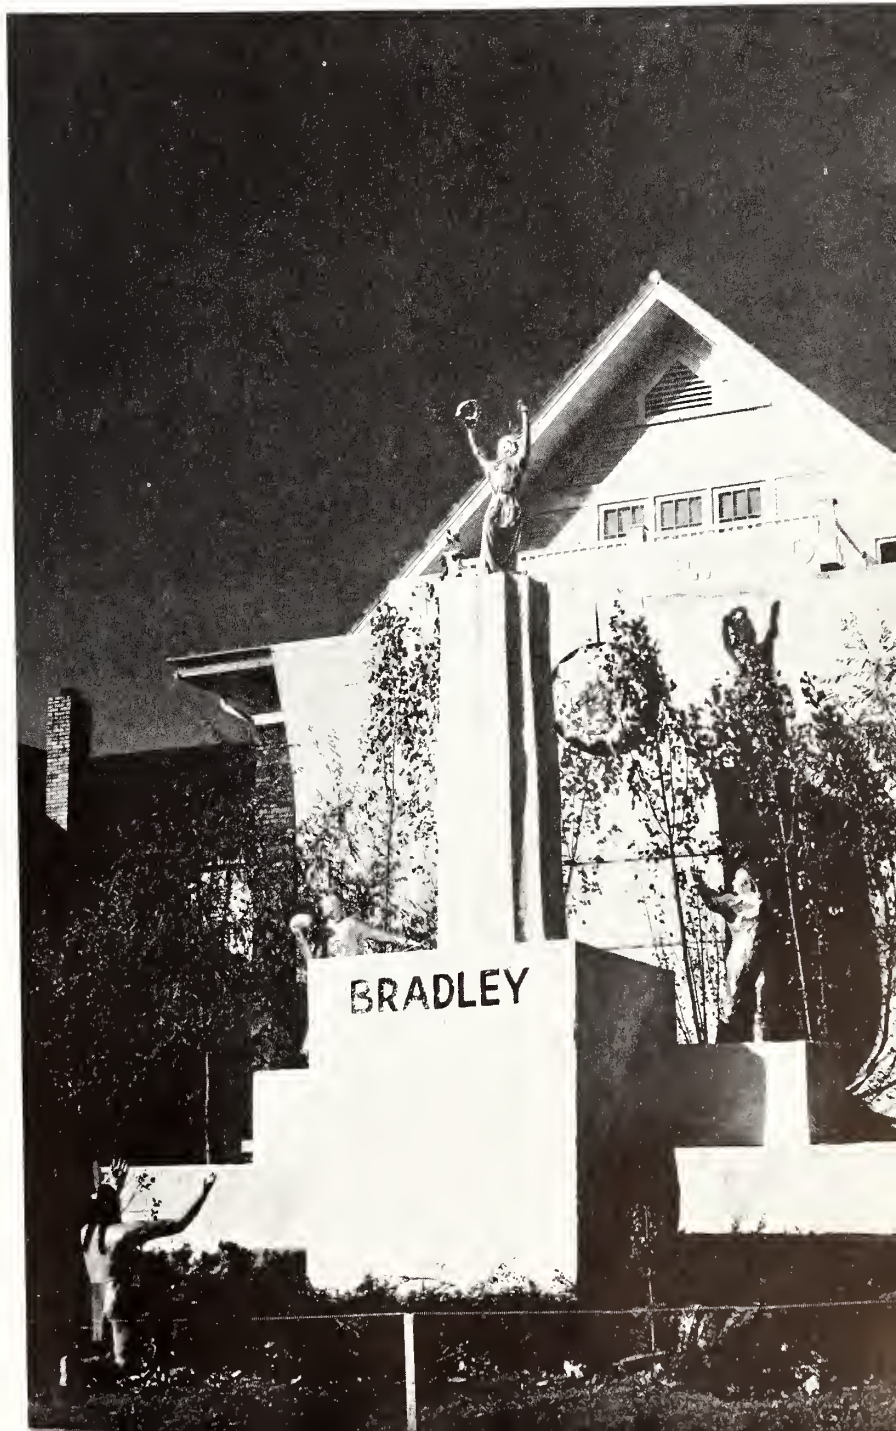

Under the big top! . . . this was the theme of the 1949 stunt show; one of the biggest and most entertaining in Bradley's history. A circus atmosphere pervaded the fieldhouse as clowns, Hawaiian dancers, barkers, and chorus lines kept the audience laughing from beginning to end. The show, climaxed by the crowning of the queen, will long be remembered for its gaiety and color.

1949 HOMECOMING

A great deal of time and hard work went into the preparation of each house decoration. For weeks previous to the judging, each Greek house and university dorm was a beehive of activity as everyone pitched in to do their bit. On the right, one of the outstanding sorority house decs; and below, the first place winner among fraternities. Second and third place men's ratings went to Lambda Chi Alpha and Sigma Chi, respectively.

OUTSTANDING PHILOSOPHER LECTURES

THE appearance of Will Durant, eminent historian and philosopher, was one of the lecture series' high spots. Mr. Durant made his first bid for fame as an author with the publishing of his book, *The Story of Philosophy*. He attended Columbia University, where he received his Ph.D. Someone has said, "His pen seems to clarify, to light up, to simplify everything that it touches."

Outstanding statesman contributes to lecture series

A PRIMARY statesman of the Western Hemisphere, Angus MacDonald was one of Bradley's outstanding lecturers of the year. During the war, Mr. MacDonald served as Canada's Minister of Navy, where he devised the corvette and the convoy system, credited with winning the battle of the Atlantic. Mr. MacDonald is making his first coast-to-coast speaking tour.

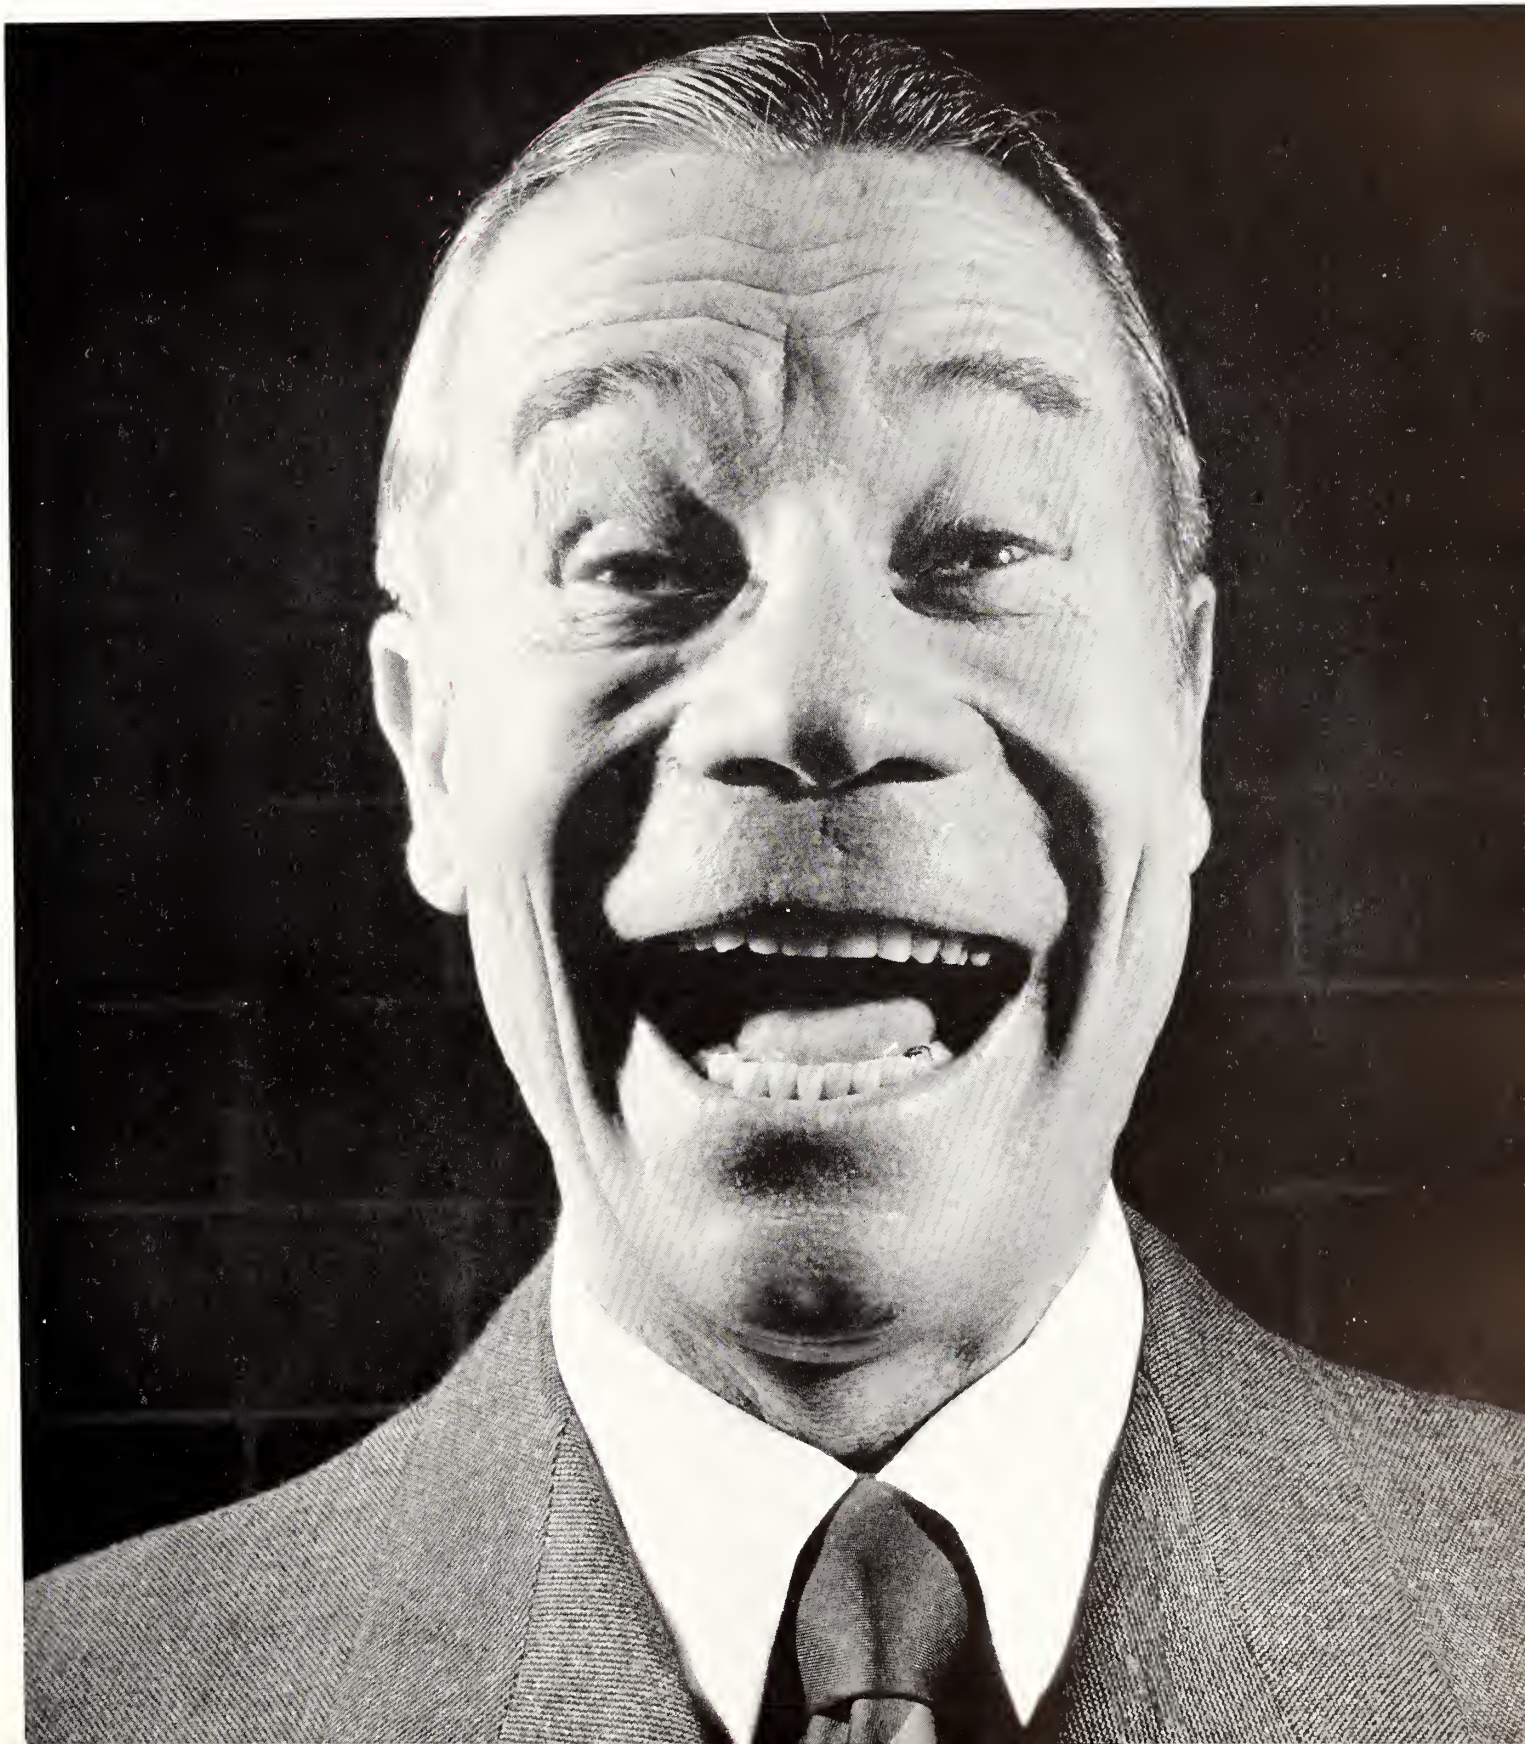

Shakespearian comedy entertains Bradley students

THE Taming of the Shrew," William Shakespeare's merry comedy which has delighted audiences for over 300 years, was presented at Bradley by the National Classic Theatre of New York. The company's purpose is to bring legitimate drama to the most remote communities. The Classic Theatre, directed by Clare Tree Major, has been performing in cities throughout the nation for five consecutive years.

BELOVED COMEDIAN AT BRADLEY

ENTERTAINING with warm humor, this famous comedian left his audience smiling after *an evening with Joe E. Brown*. With the grin as his trade mark, he told of experiences overseas during camp tours. This two-hour lecture series program created its own informal setting, in which we will remember Joe E. Brown.

ELECTIONS ON A LARGE SCALE

Elections at Bradley are on a par with city contests; pre-election campaigning and voting procedures provide students with valuable experience for future use in the post graduate years. Candidates employ all available publicity angles; using posters, sound trucks, and leaflets dropped from planes to influence voters.

The student council does an admirable piece of work in handling the balloting. Each student wishing to vote must first present a pass book which bears his picture and a number . . . these are then checked with university lists to prevent unfair election procedures. The vote cast by coalition groups usually dominates election results.

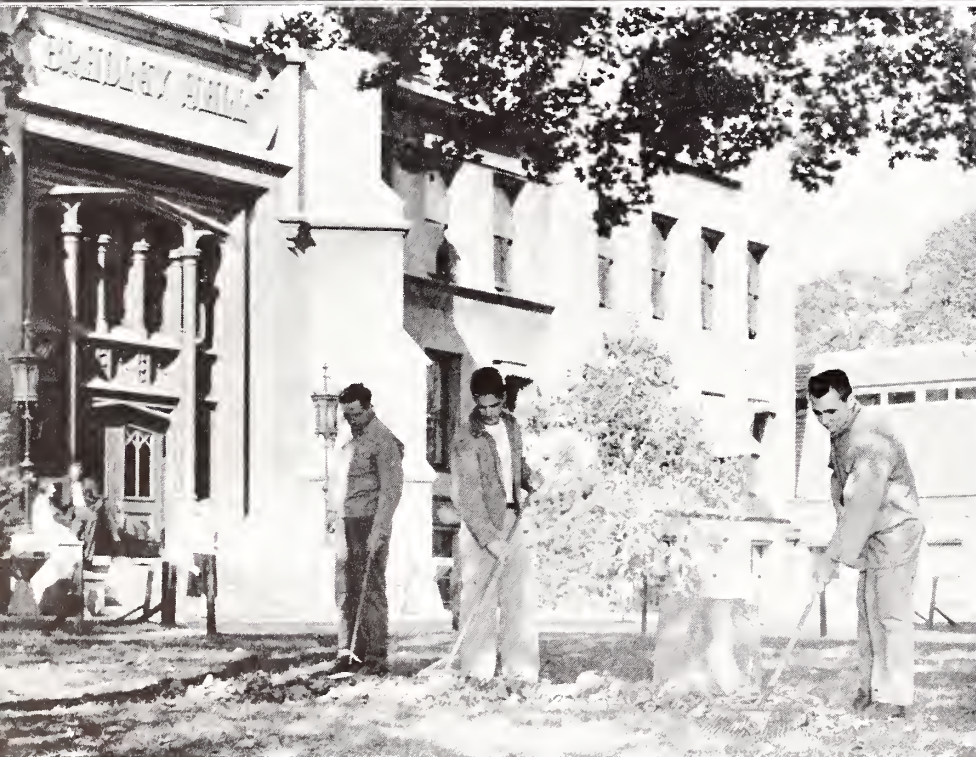

Pictured here are typical scenes from a fall election. Balloting is conducted in the Tepee, the polling place whenever election time rolls around.

PART TIME CAMPUS EMPLOYMENT

Campus employment draws a large number of students for part-time work. Every job from raking leaves in the brisk Autumn air to supervising student employment is handled by Bradleyites. They are equally adept at correcting freshman themes or at manipulating a typewriter in the functional, modern offices. The Robertson fieldhouse has provided jobs for thirty-five students, who work as a maintenance crew. Not only are the students aided financially, but they also assume an important place in the working organization of Bradley.

PROVIDES OPPORTUNITIES FOR ALL STUDENTS

THE STUDENT UNION

A favorite spot for students to congregate over hot coffee or a quick snack, is Bradley's student union, the Tepee. Its friendly atmosphere is supplemented by the clever Indian motif used to decorate the walls of this popular place. If you have a few odd minutes, the perfect place to spend them in relaxation is the

Tepee.

Located just below the Tepee is the Wigwam, where breakfast, lunch, and dinner are served daily to hundreds of students. Here, good food and pleasant surroundings combine to make it a favorite dining place.

ATHLETICS

THE year 1949-50 marked the greatest era in the history of Bradley University athletics as they blazed a trail of victories throughout the nation. New to the Bradley campus was the Robertson Memorial Fieldhouse, erected in honor of the late A. J. Robertson, athletic director on the "Hilltop" for 28 years. The football team entered into competition with their Missouri Valley rivals. The Braves' basketball squad was the watchword of the nation as they were voted the Number One team in the nation, won the Missouri Valley crown and took second place in three major tournament: the Sugar Bowl, National Invitational and N.C.A.A. The

baseball team with a new coach at the helm ended the season with an impressive 19 won and 9 lost record. Bradley's colors toured the globe as Jack Heintzman was chosen to compete in meets with the National Amateur Athletic Union in foreign countries. The tennis, golf, track, swimming and baseball teams all competed in the Missouri Valley championship at Stillwater, Oklahoma,

with the baseball team taking second place, losing out to Oklahoma in the finals. Forrest (Forrddy) Anderson was chosen coach of the year by the Missouri Valley. A Hall of Fame was erected in the fieldhouse to honor Bradley Alumni connected with the field of sports. Many new sports were added to the intramural and inter-fraternity schedule. Paul Unruh was chosen on every All-American team and was invited to play with the West in the East-West all-star game. New members were added to the athletic staff: Tony Juska, track and football; Leo Schrall, baseball and freshman football, and Leslie Tucker, tennis.

ART BERGSTROM

Art Bergstrom came to Bradley two years ago from Decatur High School to take on the duties as head football coach. Following the death of the late A. J. Robertson, Mr. Bergstrom became athletic director and held his position as head football coach.

Mr. Bergstrom is a leading exponent of the "T" formation with variations and is widely respected throughout the state. He is a member of the Board of Control of the Illinois High School Athletic Association and has received many honors for his outstanding performances. He has his master's degree in Physical Education from the University of Iowa.

Members of his staff include: John Meinen, coordinator of sports and the oldest member of the Bradley athletic staff; Forrest (Forddy) Anderson, basketball coach of the Braves for the past two seasons; Tony Juska, head track and line coach of the football team; Leo Schrall, baseball and freshman football coach; V. Van Cleave, boxing, wrestling, and line coach in football; Charles Osborne, freshman basketball coach; Don Ashley, freshman football coach and golf coach; W. Thompson, swimming coach; and Les Tucker, who took over the tennis team upon retirement of W. Short.

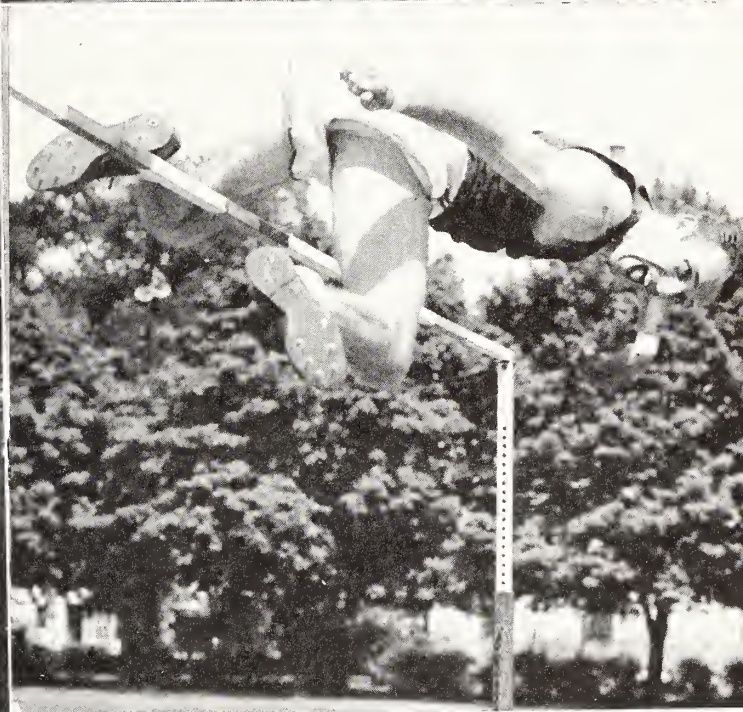

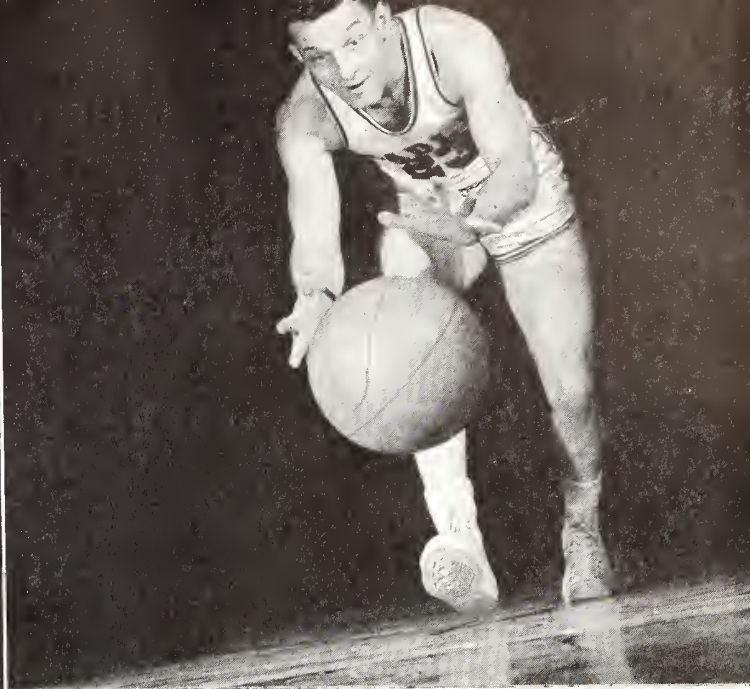

BRADLEY

As Bradley grows, so grows the number of cheerleaders. Never before have Bradley fans responded so highly and with such ovation to the lead of cheer-

leaders of the red and white. Pictured below from left to right: Ed Behrends, Mark Moody, Sam Yeager, Skip Mueller, Donna Hillman, and Bob Jolly.

OUTSTANDING ATHLETES OF THE YEAR

Paul Unruh, Gene (Squeaky) Melchiorre and Jack Heintzman, three of the greatest sports figures in Bradley history, have been selected as Bradley's outstanding athletes of the year, with All-American Paul Unruh leading the field.

Unruh, the greatest point maker ever to wear a Brave uniform, began the season with the pressure of being selected on several pre-season All-American teams and came through in fine style.

Honor upon honor was bestowed on Paul at the close of the regular season play as he was selected on the AP, UP, INS, *Police Gazette*, *Look*, and *Colliers* All-American teams. Besides being selected for All-American honors, Unruh made first team All-Missouri Valley and was selected on Wichita's and Drake's all-opponent teams.

At the close of the season, Paul was invited to play with the West against the East in the famous East-West All-Star game.

It will be a long time before anyone will be able to do justice to Paul's famous Number 15 and the ANAGA is proud to have had the opportunity to select him as the Outstanding Athlete of the Year.

Gene (Squeaky) Melchiorre, another basketball wonder, is one of the greatest competitors in the game today. His fakes and art of stealing

the ball has become a watchword throughout the nation. Squeaky has been selected on nearly every all-opponent team of the teams the Braves have faced this year. He was put on the N.I.T. first team, All-Missouri Valley first team, the Little Man's All-American team and second team on the UP All-American.

In September at Kansas City, Squeaky will receive the Italian-American Award as the outstanding Italian-descent basketball player of the year.

Baseball is another sport in which the "Mighty Mite" excels. A regular at second during the 1949 season, Squeaky ended the season with a .324 batting average and was the hub of the Braves' infield.

No one individual has brought more fame to Bradley University than "Jumping" Jack Heintzman. During his college career, the lanky high jumper has carried the Bradley colors to all parts of the United States and into foreign countries.

Last year Jack broke his own record for the high jump with a 6' 7 1/4" effort against Wayne. This also represents the all time Bradley mark for that event.

BRADLEY FOOTBALL 1949

Coach Art Bergstrom, in his second year on the hilltop, guided the Bradley football machine to five wins and five defeats. Coach Bergstrom was ably assisted by line coach Tony Juska who was in his first year on the staff.

The Bradley season in general was up and down throughout the year, as they hit their peak in their season's final game against St. Louis University. Depth appeared to be the shortcoming of a few of the games, mainly against schools with larger enrollment. In their second year of competition in the always tough Missouri Valley, the Braves had a 1-3 record. With Bradley building up its football fortunes it will be much stronger in years to come.

As a team in 1949 Bradley placed 12th in the nation in forward pass defense. Only 57 of 158 attempts were completed against the Braves, who intercepted 18 enemy aerials. The Braves ranked 30th in the country in forward pass offense, trying 208 passes and completing 83 for 1378 total yards. As a team, the Braves carried the ball 425 times and gained 1437 yards for an over-all average of 3.4 yards per try.

The Braves started slow in their season opener by beating a weak Ripon team, 14-0. Instead of a breather as it was expected to be, the Redmen extended the big Braves to the end before bowing out.

Bradley kept on its winning ways by avenging a defeat at the hands of the Techmen from the South the previous year and looked much improved over the past week by licking a strong Louisiana Tech team, 20-18.

Drake University then spoiled Bradley's winning ways as they defeated them 17-7 in the Braves' first Missouri Valley game. This game was not a disgrace as the Red and White looked sharp in bowing to Drake.

Wichita was next in line in the M.V.C. and they promptly smacked our Braves down, 21-13. It looked as if the Braves were on the downward trend after this game.

"Deacon" Dan Towler led the Washington and Jefferson Generals into the Peoria Stadium and were quickly sent back to the East coast with a 19-7 defeat stamped on them by the revitalized Braves.

Tulsa took the measure of our Braves by laying a sound 55-6 lashing on our boys.

Louisville kept right on where Tulsa left off and whipped Bradley, 35-12. The Braves' followers had some consolation when early in the game Bob Flanagan scampered around end for 74 yards and a TD for the Braves.

Delaware visited the campus for homecoming and administered the same style of treatment that Tulsa and Louisville had given the Braves. They spoiled an otherwise beautiful homecoming by beating Bradley, 47-7.

The Braves luck changed and they set out and decisively beat South Dakota State, 32-7. Bradley again looked like the team who had beaten Louisiana Tech way back in the early part of the season.

St. Louis University was the last opponent of the year and the M.V.C. member who had the same record as Bradley in the conference—0-3. The Braves started fast and never let up as they won, 29-7. The Braves had finally hit their stride.

Halfback Jim Heiniger plowed through right tackle for eight yards before he was pulled to the turf by an unidentified Washington & Jefferson player.

Bill Bushell smashes the South Dakota State line for a Bradley TD.

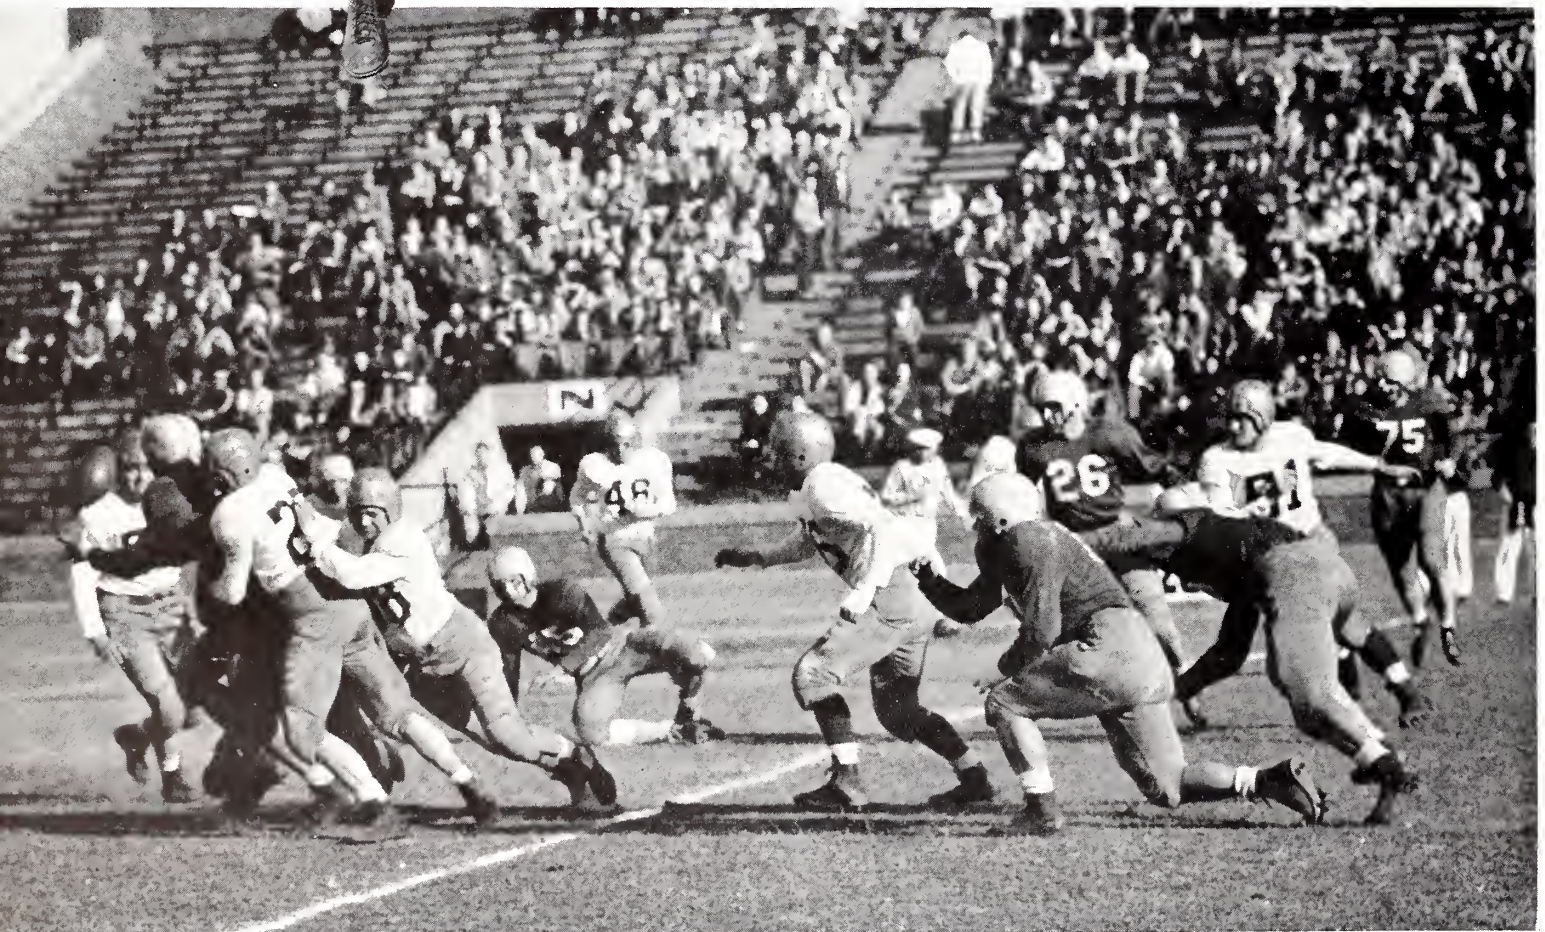

GIB CARL

Gib Carl closed out his fourth year of varsity competition in brilliant fashion the past year on the gridiron for the Red and White of Bradley University. Gib, who has been on the first team since his inaugural appearance here on the "Hilltop," has been spectacular under all conditions. Throughout his four years he always hovered in the vicinity of the .500 mark in pass completion.

Gib, Bradley's leading passer this past year, completed 56 passes in 126 attempts for 927 yards. He placed 35th in the nation in individual forward passing, leading such outstanding and heralded stars as Harry Agganis of Boston U., Charley Justice of North Carolina, Don Burson of Northwestern, and Arnold Galiffa of Army.

Carl placed 5th in the final statistics of the Missouri Valley in passing.

The Braves play follow the leader as they drag down a player for a 9 yard loss.

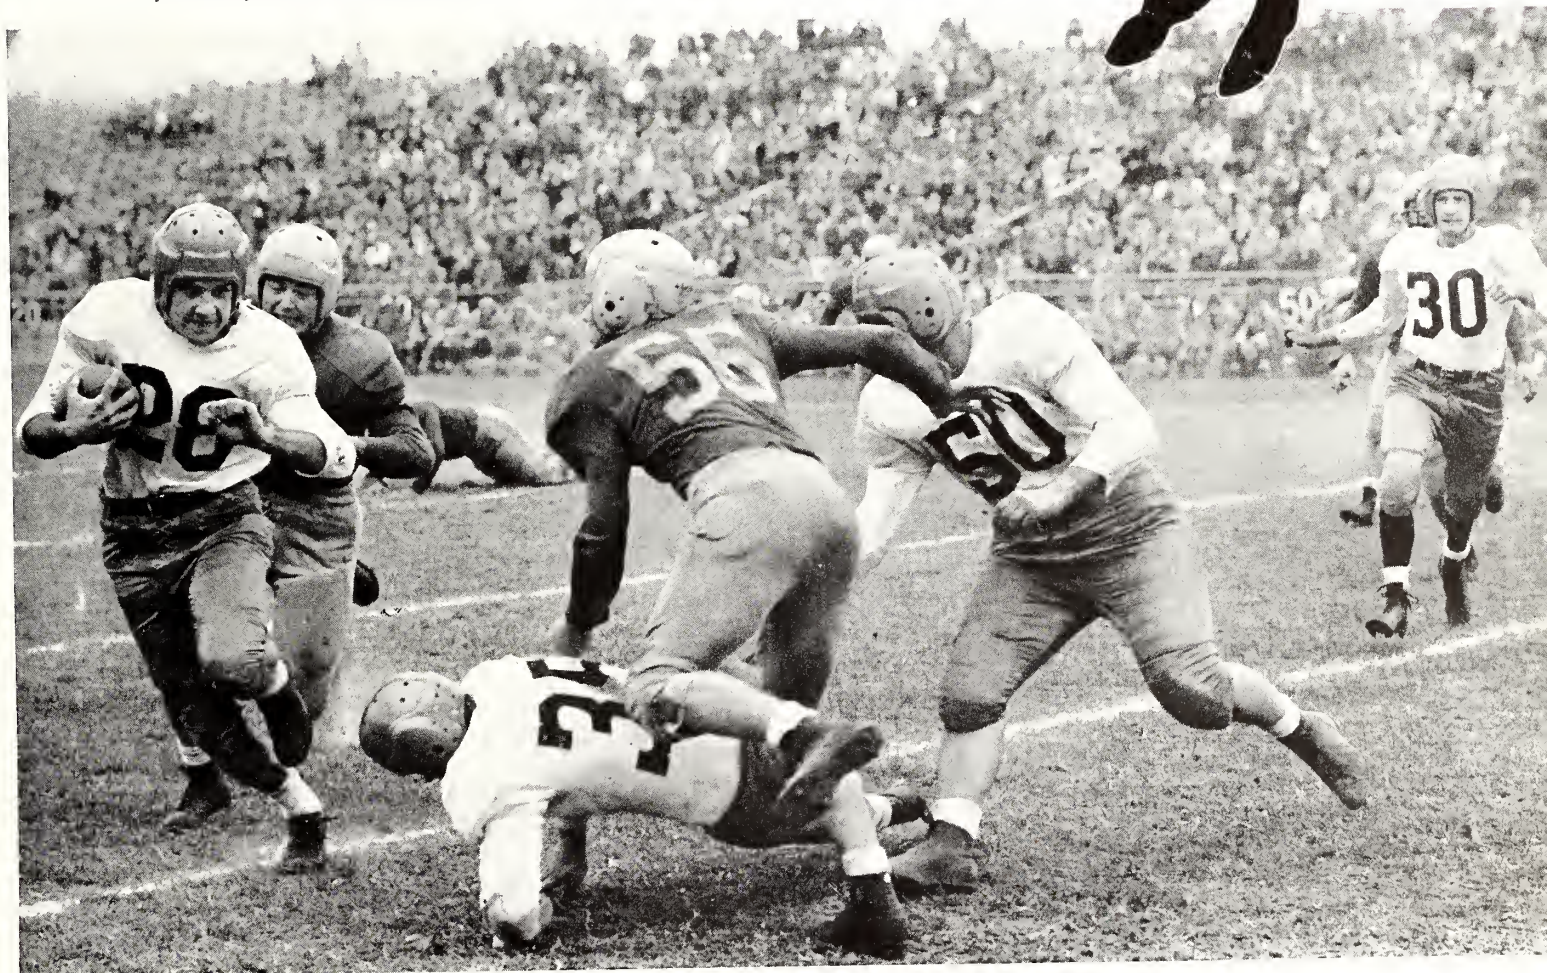

BOB FLANAGAN

Bob Flanagan, second leading ball-carrier in the Missouri Valley Conference, led Bradley University's individual ground gainers with an average of 5.5 yards per try, according to final statistics. Flanagan also led the Braves in pass receiving and scoring.

Bob carried the pigskin 129 times for 710 yards, which also earned him 26th place in the nation. The Braves' brilliant junior halfback placed higher than such stars as Kyle Rote of SMU, Jerry Krall of Ohio State, Emil Sitko and Larry Coutre of Notre Dame, Gil Stephenson of Army, Billy Bye of Minnesota and many others. Bob was on the receiving end of 26 aeriels good for 323 yards and three that accounted for scores. He scored 9 TD's last year for 54 points, highest of all Braves.

Flanagan's 96-yard run against Louisiana Tech on September 24th stood up throughout the season as the longest rushing gain in the country.

Bob Flanagan takes off on an 18 yard gain with the aid of a key block by Fullback Bill Bushell.

BRADLEY FRESHMAN FOOTBALL 1949

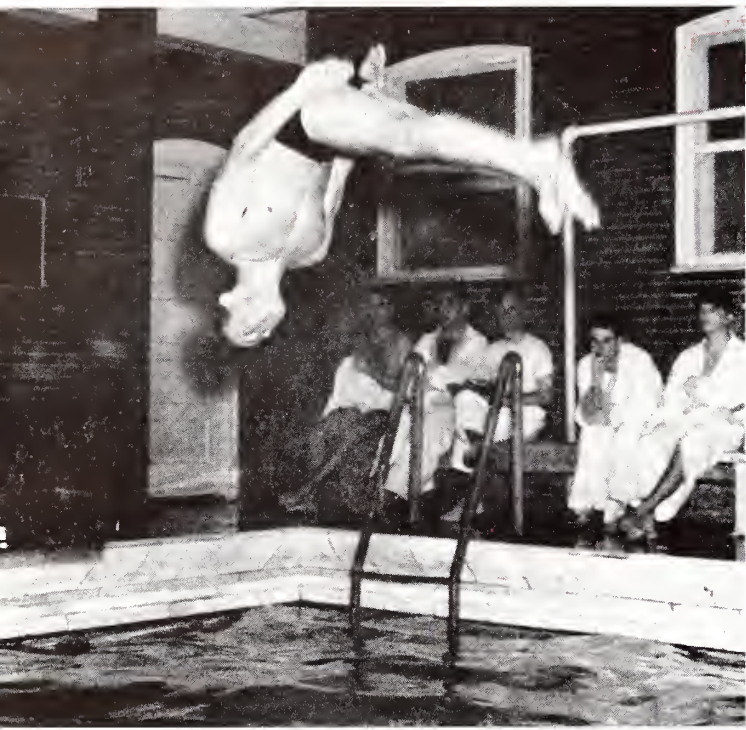

The Bradley Freshman team had 132 candidates turn out, one of the largest groups ever to answer the call for freshman ball. With it, this team was one of the strongest if not the best in the history of the Braves. The freshmen had a five game schedule and though they won only three of these, they were very impressive in their two defeats. The team was made up of outstanding high school graduates throughout the state of Illinois.

The Papoose opened their season under co-coaches Leo Schroll and Don Ashley with a 24-6 victory over the Western State "B" team. The Aurora Clippers, an amateur team composed of former college players, gave our Papooses a spanking in Aurora, 35-13. The St. Louis freshman squad was next and our little Braves set out and carved a well earned 35-13 victory. The Papooses then walloped the Carthage "B" team at Carthage, 48-6, and scored at will. In a return engagement with the St. Louis frosh, revenge was the watchword and they did just that by defeating the Braves, 33-7.

An unidentified Brave awaits a Tulsa ball carrier with open arms while Dick Swanson comes up to lend assistance. In the background is Bradley's Tony Calanca.

VARSDTY SWIMMING

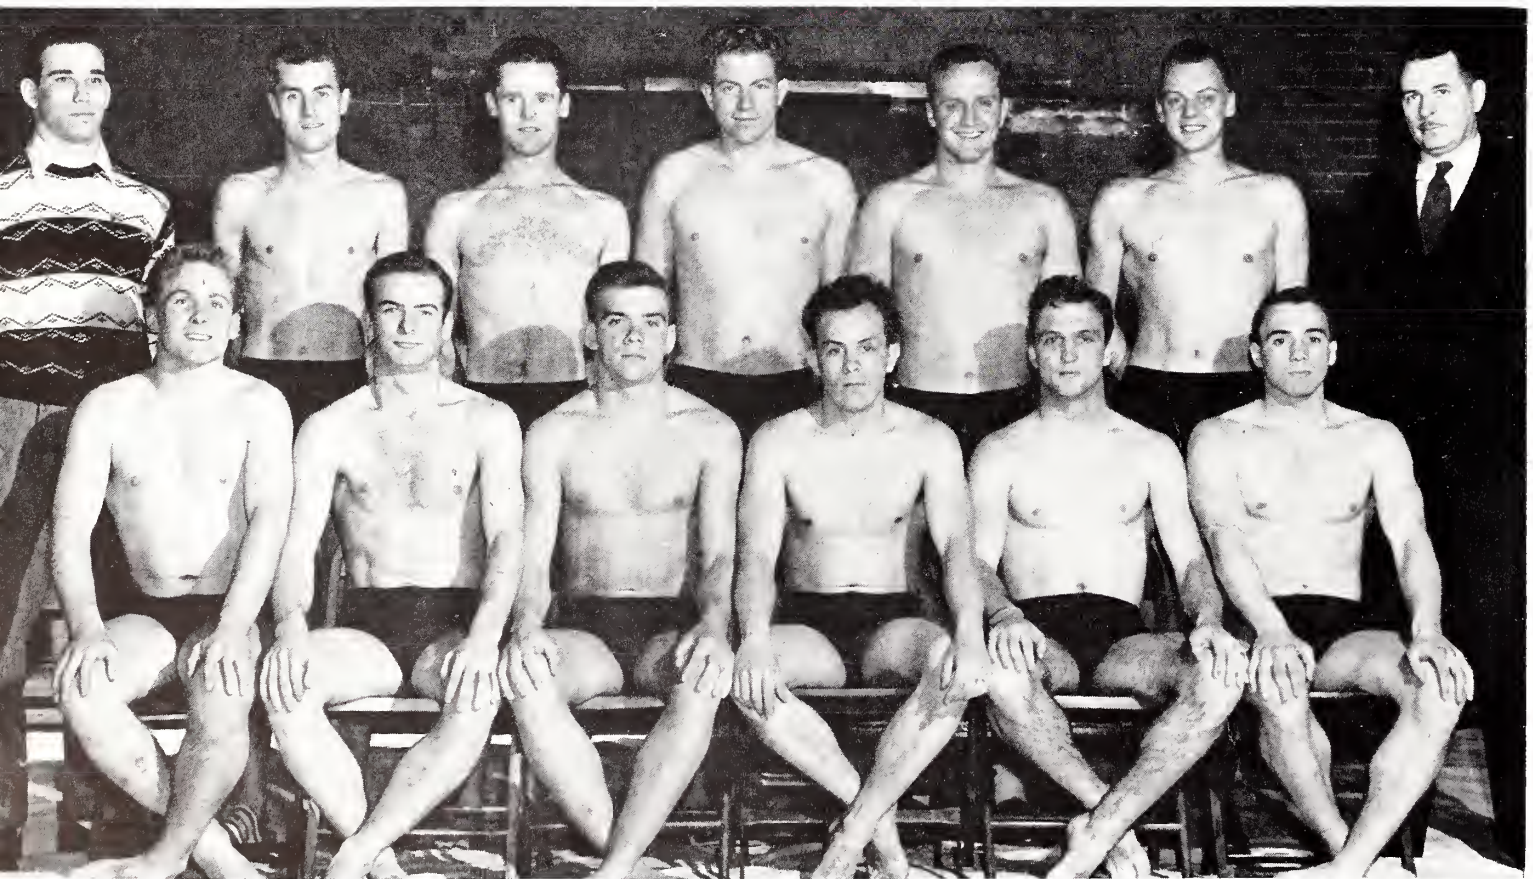

Finishing third in the Missouri Valley Conference Meet, this year's edition of the Bradley swimming team wound up the season with a record of three wins, six defeats and one tie. Coach Waino Thompson's swimmers faced the toughest competition ever met by a Bradley swimming team, and made a fine showing in each meet.

The team lost the services of brilliant Bob Westfall, dependable Steve Hannegan, and Dick Drake at the end of the first semester. Three of the strongest winners leaving in mid-season dealt a severe blow to the rest of the tankmen, who had to carry through the rest of the season alone. During his four years of competition in the backstroke, Westfall turned in a series of brilliant performances.

Diver Ralph Spring and free styler Corky Skoog also compiled fine records this year.

The tankmen defeated Monmouth, Illinois Normal, and Gustavus Adolphus while losing to Illinois Tech, Gustavus Adolphus, Carlton, Loyola, Washington U. of St. Louis, and Detroit. In the Missouri Valley Conference Meet held in St. Louis, Waino Thompson's men finished third behind the defending champion Billikens and Detroit.

2nd row: Mgr. F. Lux, T. Kjarsgaard, E. Gire, D. Nelson, C. Skoog, C. Jorgensen, Coach Waino Thompson.

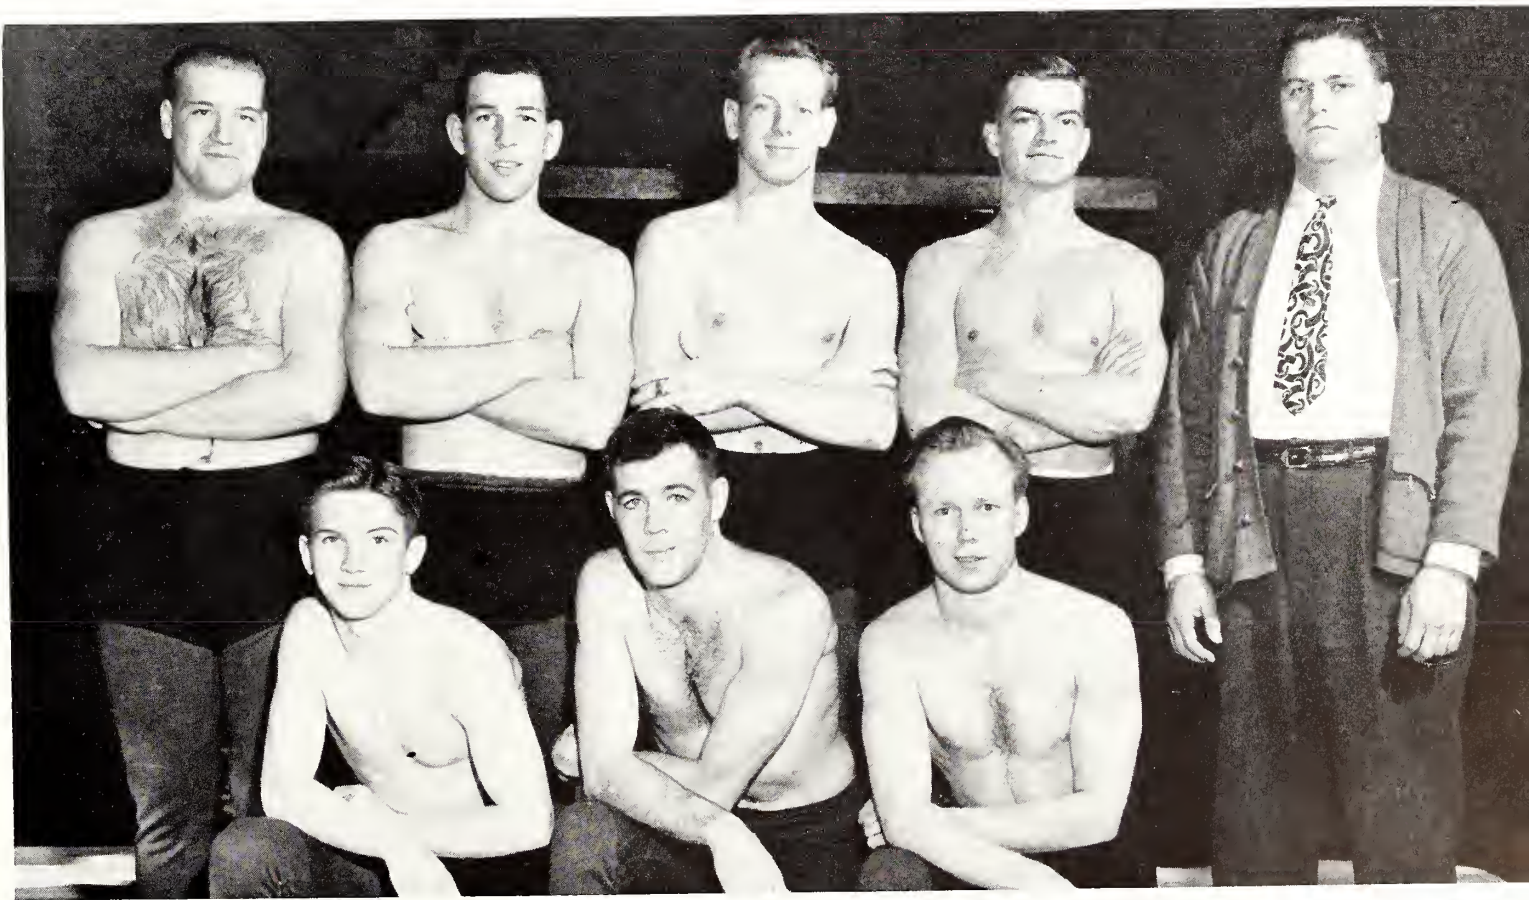

VARSITY WRESTLING

Handicapped by difficulties that plagued them throughout the season, Coach Virgil Van Cleve's wrestling squad compiled a record of 4 wins and 7 losses.

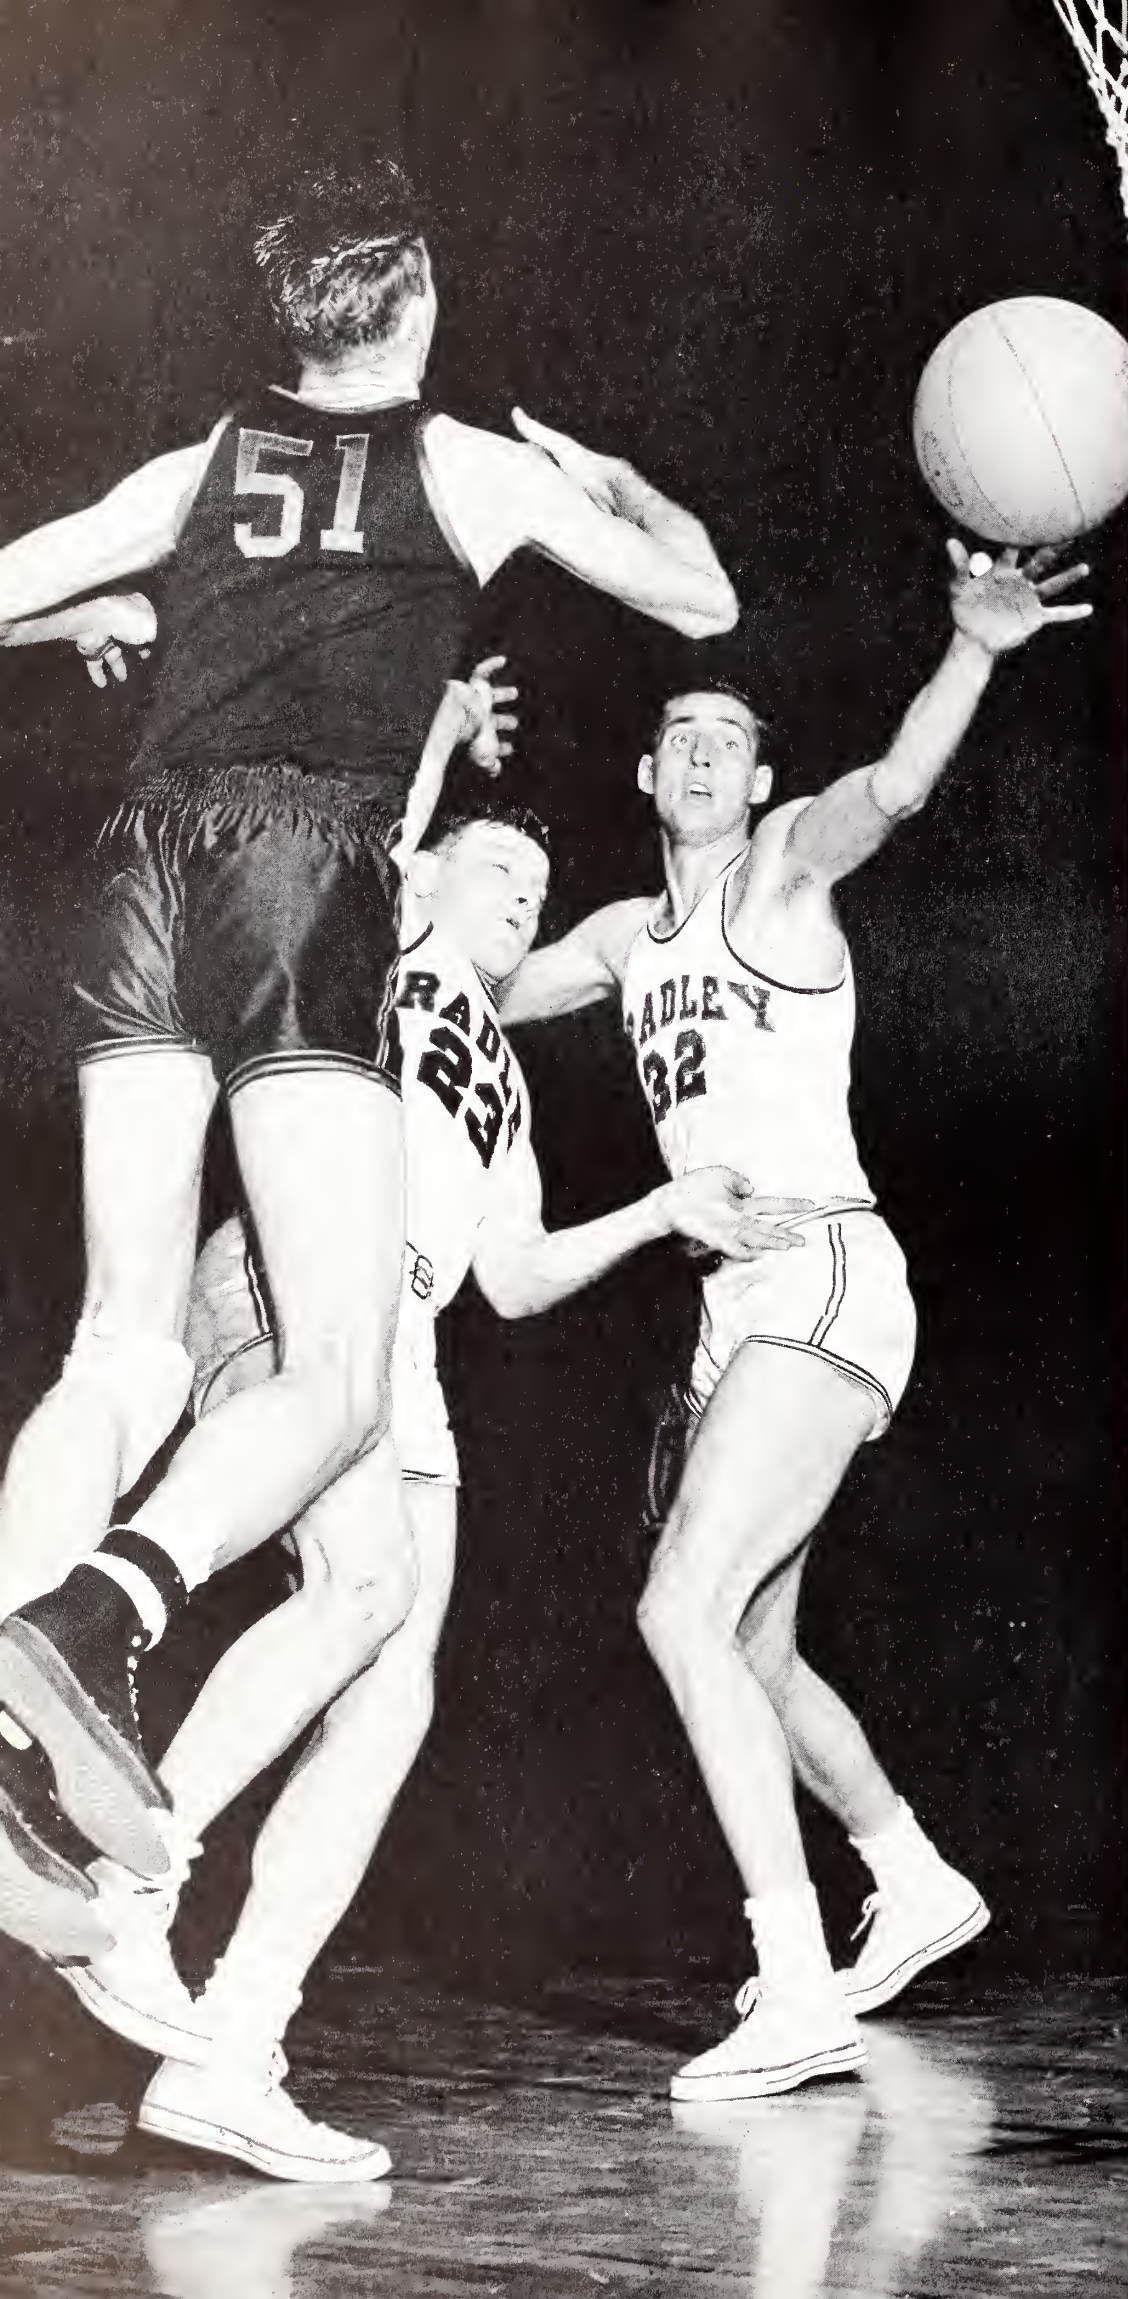

Because of a manpower shortage, the matmen had to forfeit three divisions in each of their first three matches. They were bolstered at the semester by the return of Don Johnson, one of the finest wrestlers in Bradley history, but an injury to Gordon Vevang partially offset Johnson's return.

This year's squad defeated Illinois Tech, Chicago University, Eastern Illinois State, and Marquette while losing to DeKalb, Macomb, Arkansas State, Memphis Naval Air Station, Illinois Normal, Wheaton, and St. Ambrose. Several of the losses might have been turned into victories had the matmen not had to forfeit certain divisions.

Although he did not join the squad until the second semester, Don Johnson was the outstanding individual performer. Wrestling in the 136 lb. class, he won the championship in that division of the Wheaton Invitational Meet for the fourth consecutive year. Wally Friend finished third in the same meet, losing to the eventual champion in the 145 lb. class.

2nd row: E. Fall, W. Miller, A. Peisker, G. Vevang, Coach
1st row: F. Seghi, W. Friend, D. Peterson.

VARSITY BASKETBALL 1949-1950

Finishing the regular season play with 27 wins against 3 losses, the Bradley Braves made basketball history throughout the nation as they were voted the number one team in the country by the Associated Press, won the Missouri Valley championship, and took second place in two post-season tournaments, the National Invitation and the N.C.A.A.

Coach Forddy Anderson's charges definitely established themselves as the greatest team ever produced on the hilltop.

Led by All-American Paul Unruh and the little man's All-American Gene Melchiorre, the Braves began the season against Houston in the newly erected Robertson Memorial, and walked off with a 73-57 victory. Three more teams fell before the Braves suffered a defeat at the hands of Purdue of the Big Ten. Kentucky was the next stopping block as they defeated the Braves 71-66 in the finals of the Sugar Bowl tournament.

Victory after victory, including Manhattan and St. Joseph's, hit the headlines before Detroit, playing their first year in the Missouri Valley, pushed the Braves out of the undefeated ranks of the Missouri Valley as they handed the Braves their only loss in the conference.

After the loss to Detroit, the Braves ran up a 14-game winning streak which was stopped by C.C.N.Y. in the finals of the N.I.T. St. Louis, Oklahoma A. & M., DePaul, Wichita, Tulsa, St. John's, and Syracuse are but a few of the powers that fell before the Braves in their drive toward their number one rating in the nation.

Coach Anderson's squad hit their peak in the final game of the season as they smothered a highly rated Drake outfit, 92-63, amassing the highest number of points they achieved this season.

Front row, left to right: Joe Stowell, Dick Mize, Fred Schlichtman, Don Alford, Gene Melchiorre. Middle row: Gene McCullough (Mgr.), Jack Hills, Bill Mann, Don

Schnake, Charlie Grover, Mike Chianakas, Forrest Anderson (Coach). Back row: Clarence Christie, Dave Humerickhouse, Paul Unruh, Elmer Behnke, Aaron Preece.

BRADLEY'S GREATEST YEAR

Coach Anderson was chosen Coach of the Year by the Missouri Valley and was runner-up to Adolph Rupp of Kentucky as the outstanding coach of the year by the New York Basketball Writers Association.

Other accomplishments by the Braves included victories over Nebraska (Co-Big Seven Champs), Texas Christian (Southwestern Runner-up), Ohio State (Big Ten Champs), U.C.L.A. (Western Coast Champs), double wins over St. Louis, DePaul, and Oklahoma A. & M.

Paul Unruh led the Braves in scoring, followed by Melchiorre, Mann, and Grover. Aaron Preece took top honors in the free throw department and was awarded the Dobler Memorial Trophy. Bill Mann was among the nation's field goal percentage leaders, making 48 percent of his attempts.

The Braves played to record crowds as 160 thousand watched the Braves at home and 185 thousand on the road.

Traveling to New York, the Braves defeated Syracuse, St. John's, and then lost to C.C.N.Y. in the finals of the N.I.T., 69-61. After beating Kansas U. in a play-off game for the district five bid and then topping U.C.L.A. and Baylor in the western finals, the Braves again tangled with C.C.N.Y. and fell the second time, 71-68, to take second place.

Three of the Braves and Coach Anderson received national honors. Paul Unruh was selected on every All-American team. Gene (Squeaky) Melchiorre was placed on the little man's All-American, first team N.I.T. and N.C.A.A. He was chosen Outstanding Italian Basketball Athlete of the Year and placed on nearly every all-opponent team, besides making the first All-Missouri Valley team. Bill Mann, after being underrated for three seasons, made first team in the N.I.T. and second team on the All-Missouri Valley squad.

HURDLES KING

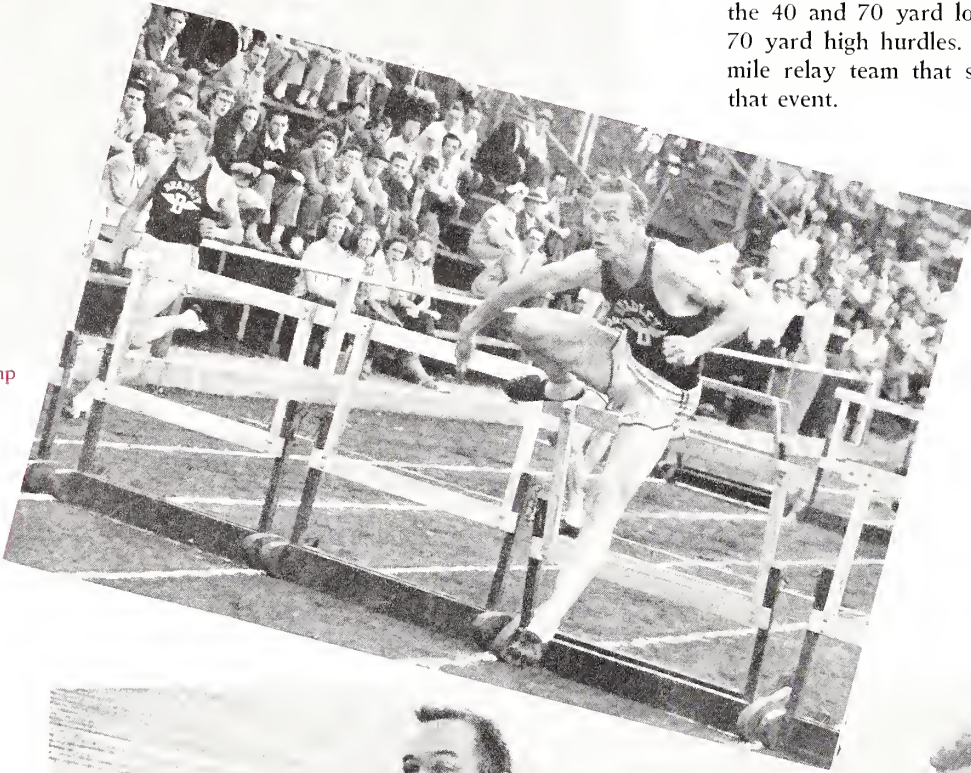

Roy Grieve flashes the form that enabled him to remain undefeated in dual meet competition during the year.

One of the Braves ace point getters, his performances during his four years of varsity competition have earned for him the distinction of being classed with Bradley's greatest hurdlers.

He holds the all-time Bradley indoor records for the 40 and 70 yard low hurdles, and for the 40 and 70 yard high hurdles. He was also a member of the mile relay team that set the all-time indoor mark in that event.

VARSITY TRACK 1949

Under the guidance of Coach C. M. Hewitt, who was coaching the track team for the last time, Bradley's 1949 track and field squad enjoyed a successful outdoor season but failed to win a single indoor event. The cindermen lost their three indoor meets, then did an about face and won four straight outdoor meets. In a triangular meet with Marquette and Drake, the Braves finished second behind Marquette.

The indoor season started off with the Red and White losing to Wayne, 65-39, in the fieldhouse. Strong Notre Dame made it two losses in a row for the thinlies by taking a decisive 84-30 verdict at South Bend. Drake completed the cycle of Brave losses by taking them into camp, 63½ to 43½.

With the advent of the outdoor season the thinlies took a new lease on life and proceeded to win four in a row. They throttled Loyola, 71½ to 59½, in Chicago, and then breezed to an overwhelming 100 to 30½ victory over Illinois Tech in the first home meet of the season. Traveling to St. Louis, they made it three in a row by narrowly defeating Washington University 70-61, with the mile relay quartet taking the deciding event. The team then returned home and finished the season with a 76 to 55 victory over St. Thomas.

In the Missouri Valley Conference Meet held at Stillwater, Oklahoma, the Braves scored 35½ points and finished in the fourth slot.

RECORD PERFORMANCES

(Cont.)

For the second straight year, Jack Heintzman led the list of outstanding individual performers during the past season. Competing in such outstanding track meets as the N.C.A.A., the A.A.U. Jr., and the Michigan State, Kansas, and Texas relays, he carried the Bradley colors to all parts of the country. Jack also broke the Bradley all time record for the high jump with a 6' 7 $\frac{1}{4}$ " effort against Wayne. During the summer months he competed as a member of an American track squad that toured many European countries.

Record breaking performances were also turned in by Bill Blackwell and Tony Behrens. Blackwell set a new Bradley record for the 220 yard dash, running the event in 22.1 seconds against St. Thomas. Behrens broke the indoor shot put mark with a 45 foot 3 inch toss against Notre Dame.

BASEBALL

Beginning his first season at Bradley, Leo Schroll, without the services of Don Ashley and Harry Wilcoxen, last year's leading run producers, piloted the Braves to an impressive 19 won and 9 lost record for the 1949 season.

The Braves started the season slow as they lost two of three games with Wisconsin, split with Iowa and were handed a shutout by Oklahoma A. & M. However, as the season moved along, Bob Garber, Bill Tuttle, Gene Melchiorre, and Don Shelton combined to help their mates take 17 out of the next 20 games in regular season play. Among their many conquests on the road were Michigan State, St. Thomas, Detroit, Drake, and St. Louis.

The Braves lost to Oklahoma in the Missouri Valley Conference championship at Stillwater by scores of 7-4 and 9-8 in what proved to be some of the toughest competition they have ever faced. The loss of Bill Manker, the Braves' ace left hander, late in the season, hurt the Braves' chances of taking the championship at Stillwater.

Bobby Garber led in the hitting department with .353 while playing a commendable game in left field. Little Bobby was always dangerous at the plate and a terror on the basepaths. Garber was followed closely by Bill Tuttle, Dutch Frederichs, and Gene Melchiorre, all hitting well over three hundred.

Don Shelton led in his specialty, winning seven while dropping two for a .778 percentage. Harmon Groover, 3-1; Don Alford, 4-2; Bill Manker, 4-2, and Fred Weeks, 1-2, rounded out the season's total wins and losses.

LEADERS IN THEIR FIELD

Bill Tuttle in his sophomore year batted a resounding .342 as well as being an outstanding outfielder with a powerful arm.

Little Adolph Frederichs was the Braves' third leading hitter with a .336 average. He moved from second base, a position he held for two years, to fill the vacancy left by Harry Wilcoxon and managed the job like a professional as he became one of Coach Schrrall's most dependable fielders.

Don Alford won 4, lost 2, and looked impressive as

the season rolled along. For a pitcher, he batted a high .278.

Harmon Groover never reached the heights of his first year on the hilltop when he had a 7-0 record. Last year he ended the season with a 3-1 record and pitched 39 2/3 innings.

Second baseman Gene Melchiorre led the team in stolen bases and batted a comfortable .326.

Bill Fivek did a great job in relieving Jim Robertson behind the plate.

With Ray Decker and Bob Orr sparking the attack, the Brave netmen finished the season with a six won and six lost record against the stiffest competition the "Hilltoppers" have had to face in any school year. At Stillwater, Coach Short's men failed to place in the Missouri Valley Conference championship, being eliminated in the final round by mighty Oklahoma, the ultimate winner. The netmen met and defeated such teams as Illinois State Normal (twice), Knox College, Western Illinois State and St. Ambrose.

Letter winners were R. Orr, R. Decker, R. McNamara, J. Stepan and H. Littlejohn.

Letter winners for the 1949 season included: D. Sommer, L. Spidle, R. Hansen, E. Johnson, N. Richart, and R. Tobias.

VARSDITY GOLF

Larry Spidle

In his first year as coach of the golf team, V. Van Cleave was faced with the task of building a complete new squad around Captain Don Sommer, the only veteran to return to the ranks.

The Braves started the season slowly by losing to Illinois State Normal, 12-9; St. Ambrose, 14-1, and Iowa University, 20½-3½, before they hit the win column with a 13-2 victory over Cornell College.

With Captain Sommer and Larry Spidle carrying the load, the Braves finished out the rest of the regular season play with a 5-5 as they met such teams as Loyola University, St. Louis University, Illinois State Normal, and Iowa University.

Letter winners for the 1949 season included: D. Sommer, L. Spidle, R. Hansen, E. Johnson, N. Richart, and R. Tobias.

MEN'S INTRAMURAL 1949-1950

Under the direction of Intramural Director John I. Meinen, intramural sports played a large part in Bradley's athletic program during the 1949-1950 season. Competition was fierce in both intramural and interfraternity divisions.

Blane's Bloomer Boys dominated the intramural basketball league going through the entire season without a defeat. They defeated Sigma Chi, interfraternity champions, in the post-season playoff, an about face from last year's results.

The Independents and Newman Club fought down to the wire in deciding the softball and bowling crowns as the winners were not decided until the final day. The Indees defeated the Newmanites in a playoff game to take the softball crown but couldn't stand the pace in the bowling league as the Newman Club broke a three-week tie to take the crown.

Championships in the interfraternity leagues were evenly divided. Football was won by powerful Lambda Chi Alpha. Sigma Chi took top honors in basketball and also in softball last spring. The track crown went to Theta Xi, who also won the volleyball trophy.

By compiling a total of 430 points, the Theta Xi fraternity nosed out the Sigma Chi's, who piled up 423, in copping the interfraternity all-sports division. Theta Xi took first place in four events: track, golf, bowling, and volleyball. The Sigma Chi's won two first place wins which enabled them to out-total Tau Kappa Epsilon, who landed the third spot with 403 points.

Congratulations are in order to John (Dutch) Meinen for his tireless efforts in building up the intramural sports program to what it is today. Mr. Meinen has developed the finest intramural program in the school's history and set up a spirit of competition typical of all Bradley students.

Lower right: Although comparatively new, volleyball has attracted a large following. Both intramural and interfraternity competition is held.

Plenty of fun along with lively competition for Bradley girls is provided from autumn through the warm days of spring under the sponsorship of the W.A.A., in cooperation with the Women's Physical Education department. An unusually complete program of minor sports such as hockey, volleyball, basketball, badminton, tennis, bowling, golf, swimming, archery, and baseball gives every girl an opportunity to enjoy and compete in her favorite sport. Spirited year-round tournaments on campus and several trips out of town to sporting meets held at other universities and colleges, make up a well-filled calendar for the Women's Athletic Association.

Miss Jean Hosafros, faculty advisor for the W.A.A., ably assists the Board in the direction of its various activities. The Board is composed of a representative from each of the sororities and independents on campus, and appoints managers for each of the tournaments and for other activities. Such an organization as this with its continuing purposes to create interest in sports and to foster true sportsmanship helps in the building up of good ideals and friendly cooperation among Bradley girls.

CLUBS

BRADLEY'S well rounded club program offers each student an opportunity to actively participate in extra-curricular events. Thirty-three departmental, eleven social, eight religious, and nineteen honorary organizations provide expression in many fields. The departmental groups are an invaluable aid in classroom work. They enable the student to put learning into practical use by participating in round tables, friendly discussions, and debates upon issues pertaining to their departmental interests. Foreign language clubs also aid along this line because the language being studied is spoken almost exclusively at meetings. Economic and political science groups help keep students well-informed by research and discussions concerning recent trends and standards. Those organizations which were instituted primarily for social purposes offer education in the indispensable subject of human relations. Getting along with people is an essential part of everyday living, and an informal gathering provides adequate opportunity for making friends with interests in common. For example, the Bradley Hawaiian Club membership is composed of students from the Islands who meet to preserve

home tradition and to celebrate Hawaiian holidays. On many occasions, they have had delicacies from Hawaii flown here for special events. Each social club on campus plans a full schedule for both semesters. Campus religious groups enable students to find religious expression combined with constructive social effort. Bible studies and

discussion meetings provide an opportunity for members to talk over important issues from a spiritual standpoint. These groups have also taken an effective step toward the abolishment of religious prejudice. Honorary memberships include a large number of Bradley students. To qualify for admittance, the man or woman must have done distinctive work in some field or subject. These groups are recognized nationally, and carry with them a great deal of commendation for their members.

WOMEN'S SELF GOVERNING BOARD

All women students whose homes are outside of Peoria and who reside in University dormitories, sorority houses, or private homes, are members of the Board of Associated Women Students. This organization is headed by the Woman's Self-governing Board, which consists of elected officers and house presidents. The elected officers for 1949-50 were: Marilyn Miller, President; Betty Brady, Secretary; June McCoy and Beverly Sumner, Senior Representatives;

Jeanne Mund, Junior Representative; and Barbara Stone, Senior Representative. The purposes of the Board of Associated Women Students are to foster among its members a feeling of mutual responsibility and order; and to interpret and administer the faculty and student regulations in regard to social customs which are necessary to maintain health, comfort, and the good name of the non-resident women students as a group.

STUDENT COUNCIL

The Student Council is one of the most important and influential organizations on any American Campus, and Bradley's is no exception. The Council takes charge of all class and council elections. Since the members are elected by the student body, they act for the students in the supervision and maintenance of all regulations having to do with undergraduate extracurricular activities and conduct, not otherwise provided for under University Rule. The Student Council greatly aided in the founding of the University Bookstore—The Trading Post. Vince Miller as president

was an untiring and capable leader. Warren Steinway served as vice-president during the first semester and Jim Schiefeling during second semester. Dawn Johnston was treasurer and Dolores Manuel Tullet was secretary.

Bradley's affiliation with the National Student Association; the revamping of the selection method for "Who's Who in American Colleges and Universities;" and the introduction of a faculty rating system were among the many successful projects of this year's SC.

BOARD OF CONTROL OF STUDENT PUBLICATIONS

The Board of Control of Student Publications meets once a month and discusses the editorial and financial policies of the *Scout* and the *ANAGA*. The board elects the editors and business managers of these publications and approves the staff members chosen. It is composed of three faculty members appointed by President Owen and four students elected by the student body

for two-year terms, plus the two editors and the business manager as ex-officio members. The faculty members of this year's board were Leslie H. Tucker, Robert A. Jamieson, and Harry Watson. The student members were Marile Dyslin Garrott, Janet Carpenter, Bill Bergstrom, Ellsworth Matthias, Don Antle, Leo Scott, and Ed Ritter.

THE 1950 ANAGA STAFF

The annual here at Bradley has taken on a new name—ANAGA. This name means “On the hilltop,” which is very appropriate. We have added a special Queen Section for your enjoyment this year and also an introduction section that will help you recall the special events that happened this past school year. This book is the biggest ever to be published on the hilltop as it has over 315 pages. One of the reasons for the increased size is the fact that we have pictures of 93 percent of the graduating seniors. This represents the largest number in any yearbook to date, the usual being around 56 percent.

As is the usual case, at the start of the year many students said that they were going to work on the yearbook. But as the time rolled on, many dropped off and only a few “hangers-on” were left. To these few I wish to say thanks and thanks again. Among others, I would like to

express my thanks to members of two sororities who gave much-needed routine help, as well as Mary Ann Gillespie, assistant editor; Frank Delaney, sports editor; Pat Hodges, assistant to the editor; Dale Hunziker, art editor; Marilyn Johnson, senior editor; Jo Ann Garrott, junior editor; and the entire photography staff that was headed by Bob Dauner. My highest praise and thanks goes to Ellen Derges, copy editor, for without her untiring efforts this book would still be at the printers.

To Mr. Harry S. (S for Sharp) Watson, faculty advisor, goes a vote of thanks from the entire staff for his much needed help and technical advice.

May this book help you to remember your carefree and fun loving days that were spent on the beautiful Bradley campus.

Pictures make the news! The Publications Photography crew worked diligently during this past year to brighten the news for Hilltoppers. The joint staff, under the capable leadership of Bob Dauner, covered events for the ANAGA and Public Relations, as well as the Scout.

The pictures in this publication will speak for the ability of the cameramen who owe much of their craftsmanship to the direction of faculty advisor, Ralph Winn. Mr. Winn is chief photographer for the Peoria Star and he also holds this position at Bradley.

SCOUT STAFF

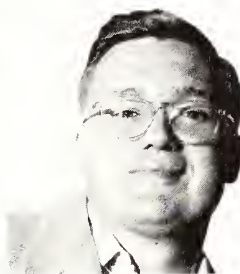

Forty students made up one of the largest *Scout* staffs on record during the year 1949-50. A news making year, the past ten months have found the staff "boiling-down" and cutting the many important stories to fit the weekly eight page paper. The *Scout* wrote the news of the largest registration in Bradley history, the finest homecoming ever remembered, the dedication of the Robertson Memorial Fieldhouse, the National Student Association affiliation, and the Nation's number one basketball team—all at Bradley this year.

Editor-in-chief Don Antle, Associate Editor Mary Quimby, and Assistant Editor Jack Birks, led the staff. Departmental editors were: Mary Lou Filograsso, news; Bob Van Westerborg, makeup; Cathie Calhoun, society; Dale Hunziker, art; Bob Dauner, photography; Jack McGrath, sports; and Ellen Derges, clubs. Business Manager Leo Scott headed the business staff made up of Bob Runkle and Bill Bruniga.

Don Antle
Editor-in-Chief of Scout

Leo Scott
Business Manager

Financing the largest yearbook in Bradley University history was only one of the many industrious tasks undertaken by this years business staff. A twelve page special edition for the homecoming week-end, a four page supplement for the opening of Robertson Memorial Fieldhouse, a special New York edition which was air expressed to New York for delivery at the same time as the papers were being delivered on campus, a special Kansas City edition, and our special NCAA Edition which was on the streets one hour before the Peoria papers with the story.

Under direction of the Board of Control, Business Manager Leo Scott completely reorganized both the ANAGA and Scout business staffs. Bob Runkle was appointed to the position of Assistant Business Manager and Advertising Manager for the Scout. Bill Bruniga was appointed as Circulation Manager. Carolyn Hoerdemann was appointed Advertising Manager for the ANAGA and was responsible for the fine success of the advertising for the year book.

This year the business staff had the very capable Robert Jamison as their advisor.

FEDERATION OF SCHOLARS

To be a member of the Bradley Federation of Scholars is the highest academic honor given to Bradley students. Members must attain and maintain at least a B average. Their conduct and character must be unquestionable. Dr. Olive B. White, who is chairman of the faculty committee, selects a list of students eligible at the beginning of each semester. Scholarship keys are available for members. Meetings are held monthly, but the biggest event is the banquet held annually. This year's dinner was held at the Jefferson Hotel. Dr. Olive B. White, Dr. David Owen, Dr. Chester Sipple, and Dr. R. T. Milner, Director of the Northern Regional Research Laboratory, were the speakers of the evening. Dr. Owen presented each member with a scroll. This was the first time that each member had received such a scroll honoring their

scholastic attainments. This presentation will continue in future years as the organization continues to expand. Over two hundred members have kept their B or better average.

One of the several projects successfully undertaken in 1948 and carried on throughout 1949 and 1950 was the tutoring system.

A volunteer Federation member, recommended for tutoring by the heads of the departments, was selected from that field in which the student wanted help and tutoring sessions were arranged for the convenience of both.

The officers for this year were: Bob Gleixner, president; Jeanette Krumpe, vice-president; Mary Blair, secretary; and D. J. Panerali, treasurer.

WHO'S WHO in AMERICAN COLLEGES and UNIVERSITIES

In all colleges and universities throughout the United States, students are chosen from the senior classes each year for their extraordinary achievements during their years at college. The 1950 members at Bradley University were selected by a committee of faculty members. The new members are announced at the beginning of the second semester. Their names are then listed in an annual publication, "Who's Who in American Colleges and Universities." The students selected must have been outstanding in the field of scholarship, leadership, activities, and character. Bradley University is very fortunate in having so many

of its students chosen for this, one of the highest honors a college senior can receive. The following were recognized: Donald Rolfe Antle, Arthur W. Boettcher, Gilbert R. Carl, George M. Chianakas, Leslie L. Clark, Delwin Cobb, Miriam E. Fouts, Lois M. Frye, Robert R. Gleixner, Harmon Groover, Donald R. Grover, Harold Hardesty, William Hardin, Arthur E. Harrington, Marilyn Huston, Dawn Johnston, Robert L. McDermott, Margaret Miller, Vincent Miller, Joseph Olsen, Howard R. Pitsch, and Edward J. Ritter.

Selection of future members will be based upon a point system being compiled by the Student Council.

Ed Ritter, Harmon Groover, Joe Olson. Twenty other members were not present for the picture.

CHIMES

Nancy Meredith, Nancy Millikan, Lois Wesselhoft,
Jeanette Krumpe, Mary Dudas

Chimes is a national junior women's honorary organization whose aim is to honor junior women outstanding in leadership. It undertakes civic projects for building a better university and to encourage higher scholarship.

Officers for the past year were Jeannette Krumpe, president; Lois Wesselhoft, secretary, and Nancy Millikan, treasurer.

WAKAPA

One of the highest honors that can come to a senior woman is to be chosen as a member of Wakapa. This is the senior women's honorary for outstanding social service, scholarship, and leadership. New candidates are chosen in the spring of their junior year and must meet certain requirements that are based upon a point system. This year Wakapa was in charge of the campus decorations for homecoming.

Carolyn Powell Blackman was the president for the first semester, but resigned in favor of Marilyn Houston, who was vice-president the first semester. Secretary was Marge Rasmussen and Pat Michael was the treasurer.

1st row: Mary Blair, Barbara Mattison, Betty Mull, Audrey Madison.
2nd row: Marilyn Huston, Ellen Fouts, Terry Day, Marjorie Rasmussen, Phyllis Sereno, Velda Grunwald, Rita McLinden.

PHI SIGMA PI

Phi Sigma Pi is the national honorary fraternity established for the purpose of promoting high scholarship in education among the men specializing in the education field. Each year an award of a gold medal is given to the junior man enrolled in the teacher training course who has the highest scholastic average for his two years at Bradley and who takes an active interest in education. The national organization has a total membership of about 3500 men in the twelve

chapters. Phi Sigma Pi fraternity instituted the Albert F. Siepert Memorial Fund. This fund was originally conceived and fostered by Mr. Siepert eventually to be used to provide a scholarship for education majors. The membership to this honorary fraternity is limited to men of junior and senior rank who give some promise of leadership and high standing in the profession of teaching through superior scholarship.

2nd row: Dick Allen, Elbert Hardeman, Don Koller, Pat Hodges, Roger Nebergall, Bill White, Vince Miller, Doug Burris, Duff Gillespie.

The Illinois Gamma Chapter of Theta Alpha Phi, national honorary dramatic fraternity, was founded by Bradley in 1924. To be qualified, certain requirements of the national directors must be met. This year a one-act play, "Ways and Means", by Noel Coward was given. Frank Heite was the president for the year. Betty Mull was the vice-president and Mary Ann Gillespie was the secretary-treasurer.

PI KAPPA DELTA

The Illinois Delta Chapter of the national forensic fraternity, Pi Kappa Delta, is one of the oldest and most distinguished organizations at Bradley. Only those students who enter into a required number of tournaments and who show exceptional speech ability are elected to membership. Dr. Clara Mawhinney is the faculty advisor. Serving as president was Howard Pitsch; vice-president was Harry Freeman; Marge Rasmussen was secretary; and Don Kohler was treasurer. The Annual Speech tournament was held and sponsored by Pi Kappa Delta.

1st row: Jack Cambron, Rocco Brescia, Robert McDermott, William Condon, W. E. Beller.

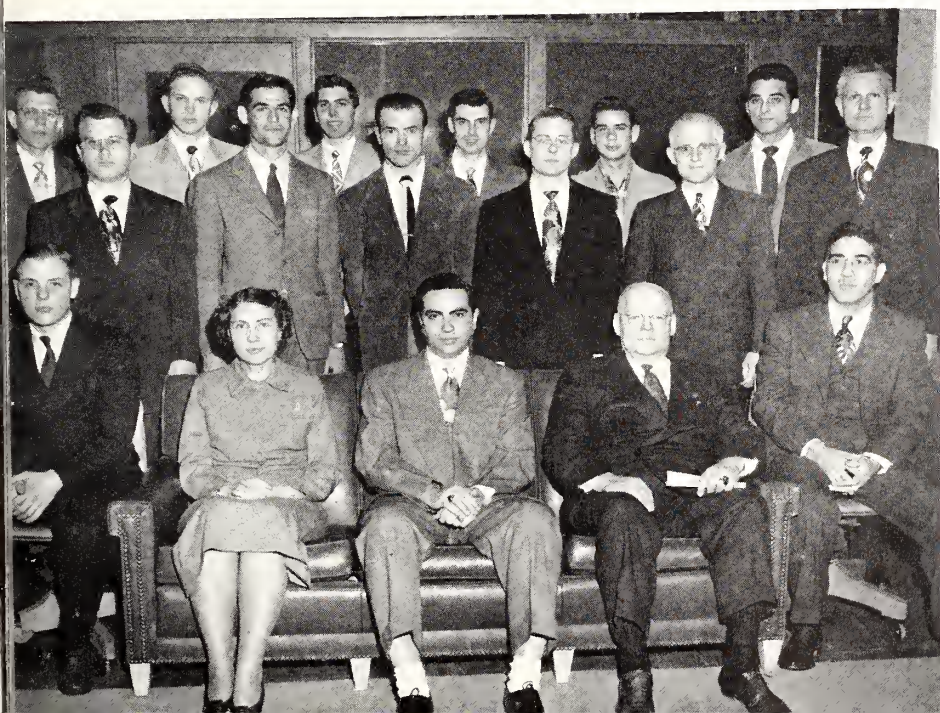

2nd row: Lewis Garnant, Francis Kuster, Van Wasson.

TAU SIGMA

Tau Sigma is the Honorary Engineering Fraternity. Members to be eligible must have a B average for at least one semester prior to initiation, and the prospective member must be an upperclassman enrolled as an engineering major. An initiation dinner is held annually. The officers were: Bob McDermott, president; Gib Carl, vice-president; and William Stoppotte, secretary. Dean Russell E. Gibbs is the faculty sponsor.

ZETA PI

Founded in 1925 by Dean Loyal Tillotson, the Zeta Pi is an honorary business fraternity which has high scholastic entrance requirements for membership. To qualify, a student must be a junior or senior, a major in the school of business, possess at least a "B" average or better, and be of good character, and show promise of potentiality for business success. Officers for the 1949-1950 school year were: Phillip Peterson, President; Aaron Preece, Vice-President; and William Hurley, Secretary-treasurer. The wonderful success of the club over the years is truly a great tribute to its faculty advisor, Loyal G. Tillotson.

1st row: Richard Plunkett, Sofrona Smith, Herbert Neumann, L. G. Tillotson, M. F. Grisafe.

2nd row: Joseph Daniel, Leonard Corti, Charles Vislockey, Phillip Peterson, Kenneth Richards, George Clinebell.

2nd row: Clyde Reid, Jim Reid, Don Antle, Jack Leengran, Dick Barrow, Frank Delaney, Bob Van Westerborg, Cal Schumann, Jack McGrath, Bill Gray, Ed Ritter, Lee Chismark.

EPSILON PHI ALPHA

With Paul Melius as President for the past year, the Epsilon Phi Alpha has made great strides towards becoming one of the outstanding honoraries on campus. This club has Dr. Moore as its faculty advisor. The new members are chosen by the past members from students that can meet the high requirements for entrance into this club. Thirty hours of science credit with at least a "B" average and high standing on the campus are required of all new members. Other officers were: Floyd Castleman, Vice-President, and Dawn Johnston, Secretary-Treasurer.

ALPHA DELTA

Membership in Alpha Delta, National Honorary Journalistic Fraternity, is awarded to outstanding workers on the two major university publications, the *Scout* and the *ANAGA*. Membership is awarded to those students serving on the publications for at least two semesters, and performing their duties well and faithfully.

Bradley University's chapter of Alpha Delta was one of the charter members which originated the national group a decade ago, and the chapter still ranks among the leaders. Listed among the outstanding honorary members of the Bradley chapter are Dr. David B. Owen, President of the University, and Mr. Phillip Maxwell, Promotion Editor of the *Chicago Tribune*.

1st row: Dean Castleman, Dawn Johnston, Jeanne Mund, Paul Melius.

2nd row: J. R. Warren, James Courtright, Max Goldschmidt.

1st row: Hildegard Mugele, Credwyn Mahannah, Joyce Zehr.

2nd row: Marcella Bayer, Calliope Dikos, Marilyn Weiner, Carol Shoff.

PI MU ALPHA

The Delta Nu chapter of the Phi Mu Alpha, national music fraternity for men was installed at Bradley in 1948. They try to create a greater interest in music. Weekly meetings were held with Emerson Evert, president; Ross Moore, vice-president; John Kamarer, secretary; and Richard Greene, treasurer. The members usher at the programs given by the Amateur Musical Club and the Bradley Star Course. A musical was given in cooperation with Sigma Alpha Iota this year. Mr. Ashworth and Norman Fekkether were the sponsors.

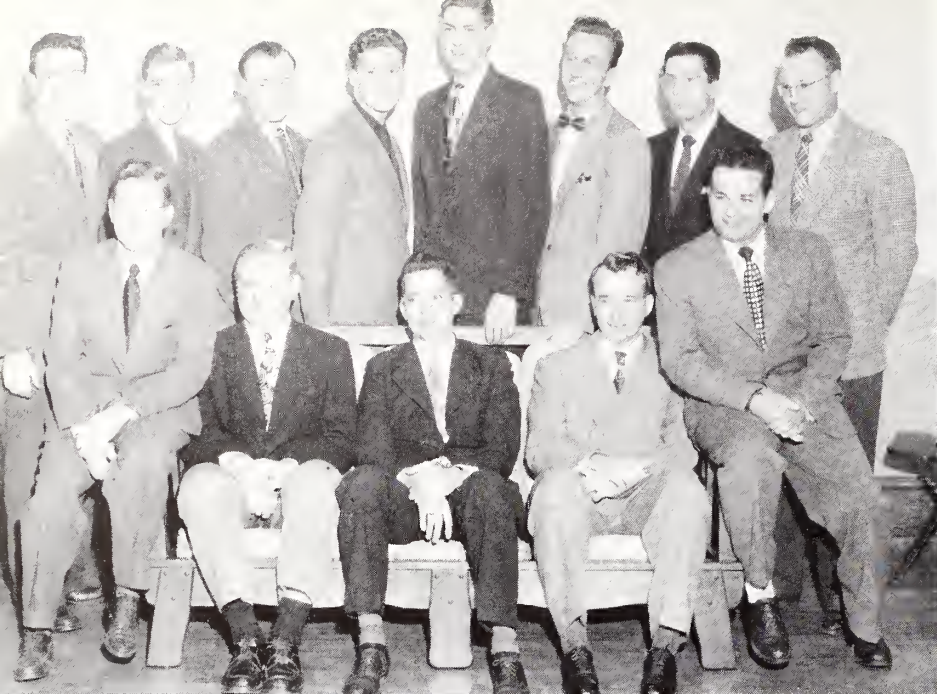

SIGMA ALPHA IOTA

1st row: Robert Blair, Kenny Winther.

2nd row: Dean Howard, Ross Moore, Emerson Everett, John Kamer, Bill Ryan.

3rd row: Mawin Ringgenberg, Wayne Rolefson, Tom Parrish, Paul Hager, Ross Mitchell.

The Beta Gamma chapter of Sigma Alpha Iota, national professional music fraternity for women, was founded April 15, 1948. All members must be approved by the Director of the School of Music and be a musician with training enough to earn a living at the profession. Weekly meetings are held with a musical held each month. A combined Musicales was presented by the Sigma Alpha Iota members and the Phi Mu Alpha members. Officers for the year were Gustajean Peterson, president; Credwyn Mahannah, vice-president; Joyce Zier, recording secretary; Helen Gianakouris, corresponding secretary; Marcella Baird, treasurer; Barbara Mattison, chaplain, Carol Cryer, editor; Evelyn Farris, sgt. at arms. Miss Peterson, Miss Wilson, and Miss Slaughter are the sponsors.

CHEMICAL SOCIETY

1st row: Edwin Janssen, John Sathoff, Jeanne Mund, Nelson Ludwig, Dawn Johnston, James Courtright, Max Goldschmidt, George Parrent.

2nd row: Charles Cogswell, Don Hays, Dean Castleman, Walter Schroeder, Dr. J. H. Shroyer, M. C. Paytson, Dr. B. Singh, D. C. Holmes, P. S. Baker, K. Rattenbury, H. S. Metzler, Jerry Carlson.

The Industrial Engineering Club consists of students enrolled in engineering. Monthly dinner meetings were held at which speakers from the Industrial Society were present. This year, movies of the Bradley games were featured. They made field trips to the Northern Regional Research Laboratory and other places of interest. Completing the slate of officers for the year were John Dunne, president; Albert Rudman, vice-president; and Gerald Dickinson, secretary-treasurer. Mr. Mergen was the sponsor and was a very interesting speaker for the club.

Student Affiliates of the American Chemical Society is an organization for students who are chemistry majors in good standing in their class. Various fields of chemistry are discussed through the talks given by speakers representing the many phases of chemistry. The opportunities of the chemical profession are noted at the meetings. In addition to the information given them by speakers, the members receive a chemical magazine which keeps them well informed of new discoveries and developments. Chairman for the year was Nelson Ludwig; Dawn Johnston, secretary-treasurer; and Dr. J. H. Shroyer, advisor.

1st row: Marlene Hill, Sybil Stevens, Darlene Bacon, Myrtle Ann Berckley.

2nd row: Joan Dutton, Louise Nielson, Marilyn Notzke, Marjorie Long, Doris Lovin, Grayce Stroud, Lois Anderson.

4th row: Marjorie Meinen, Sally Ackerman, Pat Miller, Pat Leger, Joan Brandrup, Ruth Ortt, Betty Henrick, Peggy Jensen, Doe Swardstad.

HOME ECONOMICS CLUB

Girls majoring in Home Economics and general college girls who are interested in Home Economics are eligible for membership in the Bradley Home Ec Club. Monthly meetings are held during which discussions concerning new developments and trends in Home Economics and concerning the opportunities of entering the various fields of Home Economics are held. The meetings are also socials and the Christmas meeting is always their Christmas Party. As a source of revenue, tickets were sold on a radio. The officers for the year were Marjorie Long, president; Rita McLinden, vice-president; Marilyn Notzke, treasurer; Doris Lovin, secretary; and Miss Benson is the sponsor.

ALPHA PHI OMEGA

Zeta Alpha chapter of Alpha Phi Omega was established May 16, 1947. It is the National Scout Service Fraternity and those eligible have either been a Boy Scout or affiliated with the Scout Movement. The members serve Bradley by helping at Registration, doing odd jobs during Homecoming, and aiding in Red Cross and Heart Campaigns. This year they were host to the Illinois chapters of Alpha Phi Omega at a Spring dance. BETA TAU EPSILON

Founded in 1935 as an honorary fraternity for industrial students, Beta Tau Epsilon is known as the poor man's frat, as the cost of joining is very reasonable. The privilege of holding office and voting are limited to those students who have a grade point of 4.5 or higher. The associate membership is open to anyone interested in industrial arts. "For a better technical training" is the motto of this organization and to carry it out, Beta Tau Epsilon members go on many field trips and sponsor movies and lectures.

FUTURE TEACHERS OF AMERICA

The Future Teachers of America is a national organization for those students interested in teaching as a profession. Their meetings were held monthly during which they discuss new and modern trends in teaching as well as discussing the teaching profession as a whole with its disadvantages and advantages. 4th row: Don Antle, Giles Stahl.

PERSONNEL CLUB

The Personnel Club, under the direction of Dean Loyal G. Tillotson, is one of the most practical clubs on the campus. At the bi-weekly dinner meetings, club members have the opportunity to gain experience in speaking before a group. Talks are given by four student speakers at each meeting, while other members fill the positions of president, vice-president, secretary, treasurer, and toastmaster.

Members also learn the proper parliamentary procedure by conducting meetings and making motions. As an additional feature of each meeting, a guest speaker from the Peoria business circle speaks on some phase of the business world. The club was open to seniors in the school of Business Administration and was limited to about 25 members.

GERMAN CLUB

Stimulating the interest in the German language, literature, and folklore was the purpose of the German Club at Bradley. Monthly meetings and parties were held. Speakers such as Wolfgang Lied, exchange student from Frankfurt, Germany, and Mr. Holcomb, who served with the allies in Germany, were enjoyed. A big event in April was the Nietche Evaluation. The annual picnic was held, at which time new officers were elected to replace Robert Meyer as president; Joe Bach, as vice-president; and Ralph Olson, as secretary. Dr. Rie was the faculty director.

FLYING CLUB

The Flying Club at Bradley was chartered May 1, 1949. It is a non-profit organization incorporated with the state of Illinois. The plane is owned jointly by the eighteen Bradley students who constitute the group.

Both dual and solo time were offered and Paul Ossman was the first of the group to solo. The airplane is kept at the Peoria Municipal Airport so that year-round flying is permissible. Meetings were held on the first Sunday of each month with Richard Roth serving as president; Howard Turner, vice-president; John Warren, secretary; and Robert Eacret, treasurer. A club dance was held in April.

RADIO GUILD

The Radio Guild is composed of students who are interested in radio as a career or who like radio work as a hobby. Getting practical experience was the main objective of this very active club. These students write, produce, and act on their own shows over a local radio station. Some of the experiences received during the school year were: news broadcasting, sports analyzing, producing plays, and playing the role of a disc jockey.

1st row: Dawn Johnston, Byron Donze.

2nd row: Harry Sonnemaker, Harriet Hale, Howard Raeder, Dorthy Furnal, A. J. Oliveto.

SOCIETY of AUTOMOTIVE ENGINEERS

The first organizational meeting of the Bradley University student branch of the Society of Automotive Engineers was held in November, 1949. Fred Hyatt was elected temporary chairman and Kenneth White was elected temporary secretary. Numerous speakers gave short talks on the aims and principles of the SAE, the history of the SAE, and the advantages it affords to an engineer after graduation. At the next meeting, officers were elected: Kenneth White was elected chairman; Zander Wagner, vice-chairman; Paul Johnson, treasurer; and Elbert Duvall, secretary.

The first technical speaker for the newly formed club was Dr. E. W. Landen from Caterpillar and distinguished men of the Central Illinois Section of the SAE, who spoke in January, 1950. The Bradley chapter ranks eighth in the nation among other colleges and universities in enrolled student membership. There are over one hundred members. Other guest speakers were heard and greatly contributed to the beginning of a successful engineering club on campus. Mr. Chester Linsky was the faculty advisor.

Y. W. C. A.

The Young Women's Christian Association was founded in 1904 and today the Y.W.C.A. is very active at Bradley. There are over 200 members centering their activities around the "Y" room on the second floor of Bradley Hall. A tea was held at the beginning of the year for the new and old members. A Christmas party held for the underprivileged children and the annual banquet were highlights of the year. Community projects were undertaken such as helping at the various community centers. Phyllis Ellis was president; Joanne Beyer, vice-president; Barb Statler, secretary; and Cynthia Spalding was treasurer.

HILLEL FELLOWSHIP

Hillel is a club for those of the Jewish religion. Their aim is to further religious harmony among the students. To aid in this purpose, they held a get-together for all religious groups on campus to give impetus to Religious Emphasis Week this year. Leading the club and its members were Abby Siegel, president; Dave Baruch, vice-president; Geraldine Weinstein, corresponding secretary; Rosalind Fredman, recording secretary; and Dick Martin, treasurer.

LUTHERAN ASSOCIATION

To present religious training combined with a varied social program . . . this is the purpose of the Bradley Lutheran Students' Association. One of the most active groups on campus, their regular meetings feature outstanding speakers whose topics deal with religion and world affairs. A comprehensive social calendar includes holiday parties, picnics, dances, and informal mixers. Officers for the year were Mary Dudas, president; Herb Steinbach, vice-president; and Marilyn Voigt, secretary.

CANTERBURY CLUB

The Canterbury Club is the student organization of the Episcopal Church on campus. This club is under the capable guidance of Rev. Spicer Smith and Rev. Gillete of St. Paul's Episcopal Church. Every Sunday this group met to hear outstanding lectures on current religious subjects. After the formal meeting, various types of entertainment were enjoyed by all the members.

Ronald Radeke was the guiding light for the past year as president. He was assisted by Langhorne Meeke as secretary and Allen Smoot performed the duties of treasurer.

NEWMAN FOUNDATION

With a membership of 282 the Newman Club is one of the largest of Bradley's many clubs and organizations. During the past year the club, open to all Catholic students on the campus, held meetings on the second and fourth Sundays of each month.

A member of the National Federation of Newman Clubs, the local club endeavors to promote the religious, social and intellectual program advocated by the national organization.

Included in the club's religious program for the past year were a Day of Recollection—held in conjunction with the University's Religious Emphasis Week, religious talks given to club members by outside lecturers at the semi-monthly meetings, the two Communion Breakfasts that are held at the beginning

of each semester, and three credit courses in religion that had over 100 students enrolled.

Besides its religious functions, the club also sponsored a Halloween Barn Dance, a Winter Formal, a freshman initiation, and the annual spring pig roast.

The club athletic teams enjoyed a successful year winning the intramural bowling championship and finishing second in the softball tournament.

During the past year the club was under the direction of the following officers and advisers: Jack McGrath, president; Francis Delaney, vice-president; Mary Jo Hatfield, secretary; Jack Bates, treasurer; Father William Feeney, chaplain; Father John Deane, educational director; and Miss Olive B. White, faculty advisor.

THE GREEKS

THE Greeks! . . . that carefree, fun-loving group with a serious side, which adds so much to campus life. Members of Bradley's four sororities and ten fraternities are constantly striving to reach higher goals, and to win new honors for their organizations. Fall finds each chapter house in a turmoil as rush proceedings go into high gear. Next on the year's schedule is the thought, hard work, and planning which must go into the preparations for the Homecoming celebration. Greek house fronts are then transformed into logging camps, soda fountains, steamboats, or even story book settings, as they compete for first place honors.

Bradley's fraternity and sorority house decorations are among the most elaborate to be found at any of the country's colleges. High scholarship and cooperation are never overlooked by the Greeks. Each group has a grade point which must be attained by all members in order that they may remain on active status. The awarding of scholar-

ship trophies by the Inter-Fraternity and Pan-Hellenic Councils provides an incentive for maintaining a high grade average. Throughout the year, many of the outstanding social events are sponsored by the Greek organizations. All students look forward to the Sadie Hawkins Dance, the Bum Dance, Christmas formals, and the Sweetheart and Spring Balls. Their spirit of cooperation is evidenced by the fact that many University sponsored projects are carried out with the aid of the Greek organizations. Close relationship with school authorities helps to place another link in their chain of unity.

Inter-Fraternity Council

One of the most active and progressive groups on campus is the Inter-Fraternity Council, composed of two members from each men's Greek organization. As well as democratically solving all fraternity problems and disputes, it is the duty of these students to formulate rules governing fraternity social and athletic events, pledging and initiation standards, and the grade point requirements for all Greek men. It is also in charge of awarding the scholarship trophy to the fraternity with highest scholastic rating, and the various athletic trophies for honors in all major and minor inter-fraternity sport competition. Two innovations made by the council during the past year included the formation of a pledge council, and the presentation of a trophy to the fraternal group which recorded the most improvement in scholarship. The pledge council

was initiated with the hope that it would form a stronger link between the actives and pledges of all chapters. Its members are the presidents of each fraternity pledge class; they function primarily in an advisory capacity, offering concrete suggestions and helpful advice concerning such activities as scholarship and rushing procedures.

The Inter-Fraternity Ball, one of the year's most successful dances, is sponsored annually by this co-operative organization. The 1950 affair took place on March 10, and featured the music of Dick Jurgens and his orchestra.

During 1949-50, the I-F Council was under the capable guidance of Bud Mathias, President; Bill Bergstrom, Vice-President; Bob Thompson, Treasurer; and Frank Collins, Secretary.

Pan-Hellenic Council

Pan-Hellenic Council, the sorority counterpart of the Inter-Fraternity group, is one of Bradley's strongest, most reliable organizations. Decisions, which will affect the welfare of the four campus sororities, are made each month at the group's regular meeting. It boasts equal, democratic membership, as each Greek sorority is represented by two students. Pan-Hellenic has a busy schedule throughout the entire school year. The first item which receives their attention is the outline for the fall rushing program—here, all rushing, bidding, pledging, and initiation rules are formulated. Following the rush season, their energies are devoted to the promotion of high scholarship among Greek

women. As proof of their work along this line, they sponsor the annual Scholarship Banquet, at which time a trophy is presented to the sorority with the highest grade point average.

On March 18, they sponsored the annual Pan-Hellenic Ball, and in May, came the Pan-Hellenic Sing on the steps of Bradley Hall. One of the group's largest cooperative projects during the year was the adoption of a war orphan in a foreign country.

Officers for 1949-50 were President, Nancy Millikan; Vice-President, Ellen Harney; Treasurer, Roberta Randall; and Secretary, Peg Flynn. Dean Olive B. White was present at each monthly meeting.

Gamma Phi Beta

Gamma Phi Beta was founded at Syracuse University, November 11, 1874. The badge of the sorority is a black and gold crescent over which are the sorority Greek letters in pearls. The colors are brown and tan. The flower is the pink carnation. The Gamma Phi Beta magazine, *The Crescent*, is issued quarterly by and for all the chapters.

Beta Eta chapter, founded in September of 1947, has the distinction of being the only women's Greek organization to colonize on Bradley campus. It was the 55th chapter to be added to the international organization, which now totals 59 chapters. The sorority house is located at 124 Barker Avenue. Two of the sorority members are now serving as class officers.

Gamma Phi Beta activities opened this year with a successful rush season, followed by the annual Founder's Day Banquet on November 11; a Christmas formal dance; house parties; exchange parties with fraternities and sororities; and a Spring formal dance. Barbara Bogard, chapter president, was crowned "Forget-Me-Not" queen. Nancy Meredith is vice-president of the sorority. Beta Eta also has the honor of being the sorority to receive the first annual scholarship cup last year, its members having attained the highest scholastic average of the sororities.

The object of the sorority since its founding has been to develop the highest type of womanhood through education, social life and service to country and humanity.

Pi Beta Phi

Pi Beta Phi was founded at Monmouth College, April 28, 1867; the first organization of college women established as a national college fraternity. The Illinois Theta charter was granted in May, 1947.

Permanent undergraduate loan funds and an annual graduate fellowship from an endowment fund are maintained by the fraternity. In 1912, as a memorial to its founders, the Settlement School at Gatlinburg, Tennessee, was established. Eight full grades, a four-year high school, and adult education in handicraft are included in the school. There is also a health center with a nurse in attendance. With this threefold program of health, education, and crafts, the community, through Pi Beta Phi, has raised living standards and developed its hidden resources.

The periodical quarterly journal is named *The Arrow*. The fraternity badge is a tiny golden arrow; the pledge pin is a golden arrow head. Pi Beta Phi colors are wine and silver blue, and the fraternity flower is the wine carnation. President of the Illinois Theta Chapter is Mary Blair, and vice-president, Pat Michael.

Activities during the year include the Christmas formal, the Pledge Dance, the Charity Ball, and the Spring dinner-dance.

Pi Beta Phi received two trophies for their homecoming activities. The chapter has been active in community and campus affairs.

Sigma Kappa

Sigma Kappa, the second national sorority on campus, was established in 1874, at Colby College, Waterville, Maine. Today, the sorority has fifty-five chapters throughout the United States and also a chapter at the University of Manitoba in Canada. Beta Nu chapter received its charter in March, 1947.

The two national philanthropic projects are the Maine Sea Coast Mission, and the presentation of scholarships to Greek girls for the American Farm School in Salonica, Greece. The Peoria alumnae chapter of Sigma Kappa presents a musical tea each winter, and the proceeds are given to various projects on the Bradley campus.

The Sigma Kappa magazine is *The Triangle*. The sorority colors are lavender and maroon and the flower is the violet. The badge is a maroon triangle surrounded by pearls, the official jewel of the sorority.

Social functions of the year included rushing parties, Christmas formal, hayrack rides, house parties, spreads, Spring formal, senior breakfast, and the celebration of the sorority's seventy-fifth Founder's Day. Climaxing the seventy-fifth year of the sorority is the National Convention at Swampscott, Massachusetts. Terry Day was president of Beta Nu Chapter for the year 1949-50, and vice-presidential duties were in the hands of Marilyn Houston.

Chi Omega

Chi Omega was founded at the University of Arkansas in 1895, and now, having one hundred seven chapters, it is the largest women's Greek organization in the United States. On Bradley campus, Mu Delta chapter was the first national sorority to be established.

Major activities during the year include a pledge dance, followed by the Christmas and Spring formals. The complete redecoration of the basement during the summer added much to the enjoyment of the many social functions and exchange parties with other Greeks.

Sponsored by the alumni, Mu Delta chapter's annual charity project, the Kiddie Carnival, was held for the fourth consecutive year.

Children from the orphanages were treated to a day at the Carnival as guests of the active chapter.

During Homecoming, Chi Omega received second place in house decorations and third place in float competition. Colleen Cassidy was chosen as an attendant to the Homecoming Queen; and Marilyn Ryden was selected as lead for the All-School Stunt Show.

Chi Omega's colors are cardinal and straw, and its flower is the White Carnation. *The Mu Delta Record*, the magazine of the local chapter, is published annually for actives and alumni. President for the year 1949-50 was Phyllis Sereno, and vice-president was Ellen Fouts.

Alpha Epsilon Pi

Alpha Epsilon Pi Fraternity was founded at New York University, November 7, 1913, by a group of students who desired to establish a fraternity which would select its members, not because of wealth or social position, but by their deeds and worth as men. Undoubtedly, the great success which the fraternity has realized can be traced to its adherence to these ideals.

The Beta Upsilon Chapter is listed forty-ninth in the Alpha Epsilon Pi Chapter roll of fifty-six chapters. The fraternity also has twenty-five alumni clubs

throughout the country, whose purpose is to promote fraternity activity.

The chapter at Bradley is the youngest fraternal organization on campus; its installation was on May 8, 1949. Nevertheless, the chapter has made remarkable progress in its brief past.

The fraternity colors are gold and blue, and its flower, the iris. *Beta Upsilon Up's and Down's* is the local chapter magazine. Jerry Weiner was president for the year 1949-50, and vice-president was Jerry Kassel.

Alpha Pi

Alpha Pi Fraternity was founded in 1898 at Bradley University, and cherishes its position as one of the oldest local fraternities in the United States. Despite its heritage as the oldest surviving student group on campus, the fraternity is a progressive organization, with its main outlook toward the future.

As well as its primary existence of brotherhood, the aim of Alpha Pi is to encourage the most complete personal development of its members: intellectually, physically, and socially. In addition to studies and diversified fraternity activities, Alpha Pi's are active on campus, maintaining positions of leadership in al-

most every student endeavor, including Inter-Fraternity and varsity sports.

The main Alpha Pi social events of the year are the famous Bum Dance, the Christmas formal, Founder's Day Banquet, Sweetheart dinner-dance, and the Spring formal; plus numerous stags and mixed parties held at the chapter house.

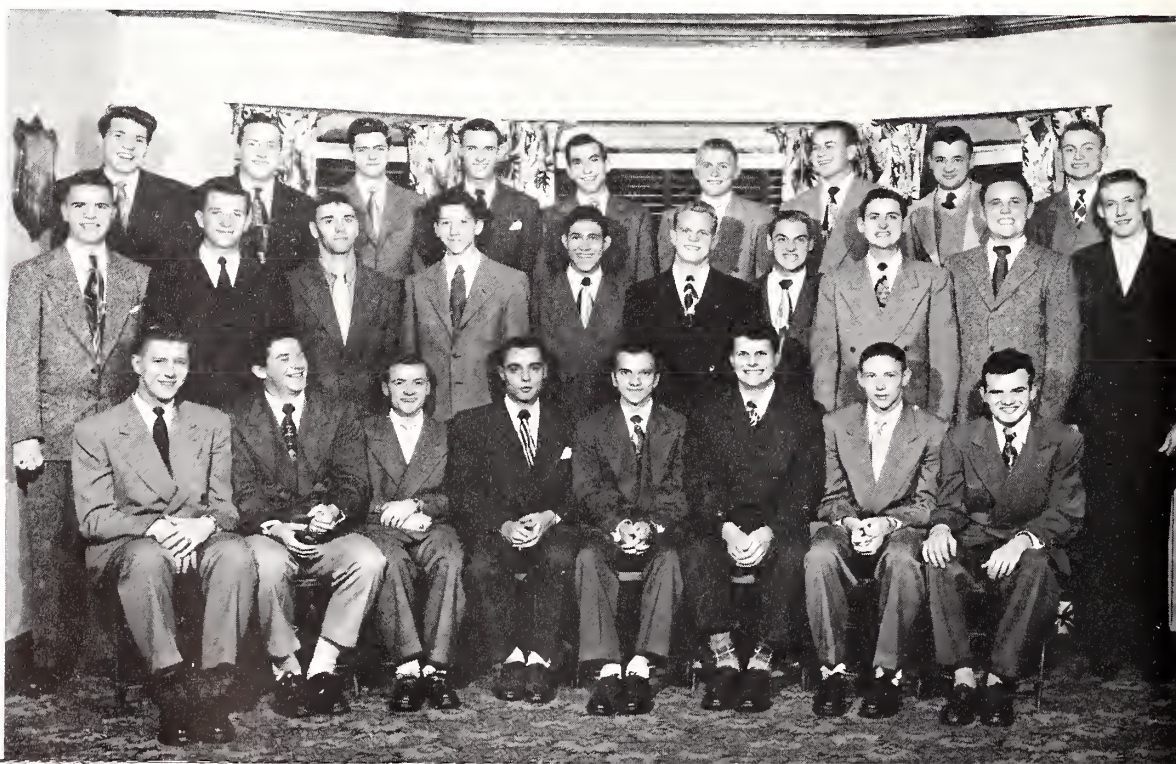

Purple and white are the fraternity colors and *The Purple Band* is its journal. For the year 1949, William Bergstrom served as president, and Robert W. Meyer as vice-president.

Lambda Chi Alpha

Lambda Chi Alpha was founded at Boston University, November 2, 1909, by three law students. It is now the world's largest national social fraternity with 135 chapters and 10 colonies. Kappa Upsilon Chapter, striving to develop devotion, diligence, dependability, and dignity in its membership, has grown to be the most aggressive fraternity on the Bradley campus. Lambda Chi Alpha took its share of Inter-Fraternity trophies with its second consecutive winning of the I-F sing trophy.

Included in Lambda Chi's many social functions are its traditional Sadie Hawkins Day Dance, Christmas

dinner-dance, Founder's Day Banquet, Senior Breakfast, and the Spring formal.

The fraternity colors are purple, green, and gold, and its flower is the white rose. *The Kappa Upstart* is published quarterly for the local active and alumni chapters. Leaders for the year were Frank Collins, president; and Ed Morgan, vice-president.

Nationally known members wearing the "jeweled gold crescent" are President Harry S. Truman, Jimmy Doolittle, Charley Trippi, and Representative Harold Velde.

Theta Xi

Theta Xi was founded at Rensselaer Polytechnic Institute, Troy, New York, on April 29, 1864. The Alpha Sigma Chapter was founded as the Beta Phi Theta fraternity in May, 1926, and became affiliated with Theta Xi on October 3, 1948.

Theta Xi stresses the personal development of the individual member; intellectually, physically, and socially. Each member is urged to participate in campus activities. Socially, members have the opportunity to meet other students on campus through the two formal dances, the numerous house parties, and social gatherings with other fraternities and sororities.

The fraternity colors are blue and white, and *The Unicorn* is the monthly magazine.

President of Theta Xi for the year was Robert Zobel, and vice-president was Edward Eul.

The esprit de corps of Theta Xi is best stated in its official poem:

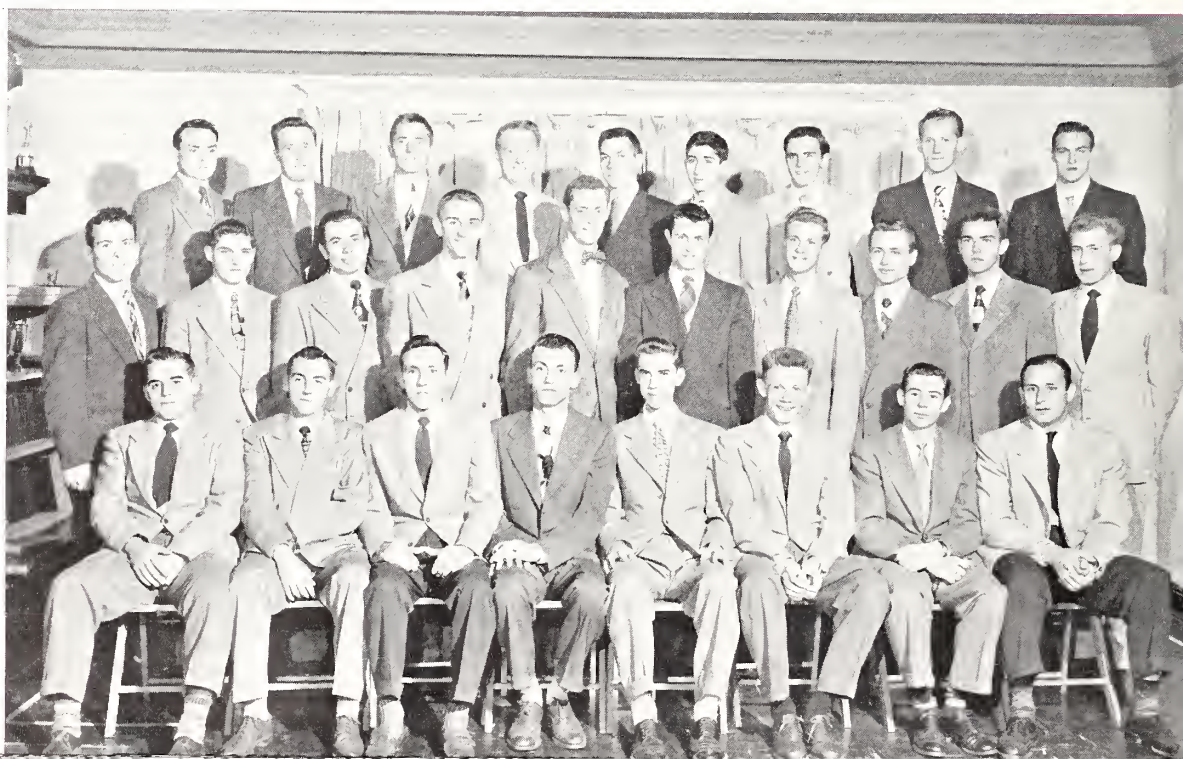

"Our Strong bond can ne'er be broken,
Formed in Theta Xi,
Far surpassing wealth unspoken,
Sealed by Friendship's tie."

Theta Chi

Gamma Upsilon Chapter of Theta Chi Fraternity was formerly the local fraternity, Zeta Omega, which was founded in October of 1947.

Theta Chi Society (as it was then known) was founded at Norwich University, Norwich, Vermont, at nine o'clock, on Thursday evening, April 10, 1856. From this humble beginning, Theta Chi Fraternity has grown to its present status, which includes over one hundred chapters throughout the United States.

The Theta Chi News Letter is the publication of the local chapter.

The fraternity colors are military red and white. Its flower is the red carnation; and its motto reads: "Alma Mater first, and Theta Chi for Alma Mater."

Included on the social calendar this year are such events as the annual Christmas formal, held just before the holidays; and the Spring formal dinner-dance (Dream Girl Dance) held during the latter part of the second semester.

This past year, Rocco Brescia served as president, and Bud Buescher was vice-president.

2nd row: Bill Vannelli, Bill Martin, Harry R. Hough, Tom McClintick, Frank Nasta.

Rho Delta

Rho Delta was founded October 9, 1946, to promote ideals of character, scholastic achievement, honesty, charity, friendship, high morals, and to advance the spirit of loyalty to our Alma Mater. Chinese red and powder blue were chosen as colors to accompany the exotic camellia, the fraternity flower. President for the year 1949-50 was Bob Thompson, and vice-president, Nick Susla.

Throughout the year, informal house parties and Sunday afternoon socials for the sororities balanced the social calendar between the main social events, which were: the Camellia Ball at Christmas, the Spring Frolic in March, featuring a one-week trip by air to Havana, Cuba; and in May, the Orchid Dance.

Sigma Beta

The inception of Sigma Beta on the Bradley campus was an acknowledgment of the school's growth in attendance and popularity. Since its organization, Sigma Beta has grown by "leaps and bounds" until it is now one of the leading social fraternities on Bradley's campus.

It is often said that a good history is a good record of the past. Although the history of Sigma Beta is short, the alumni, actives, and pledges are very proud of its outstanding quality. In an honest effort to perfect itself, Sigma Beta always looks forward to new horizons, and to overcoming obstacles in its path.

With their motto, "Vic Amicitia Unita" before them, Sigma Beta looks forward to social brotherhood,

high morals, and intellectual development. Social brotherhood includes everything from participation in Inter-Fraternity sports competition to dances, smokers, exchanges and the annual King Winter Carnival dance.

The beautiful orchid is the fraternity flower, while pure white and high sky blue are the fraternity colors.

Sigma Beta is indeed a progressive fraternity, and one that will definitely flourish on the Bradley campus for many years to come.

President of Sigma Beta fraternity for the year 1949-50 was O. J. White, and vice-president, John Grigiski.

Sigma Phi Epsilon

The Sigma Phi Epsilon Fraternity was founded on November 1, 1901, on the campus of Richmond College in Richmond, Virginia. The fraternity's colors are red and purple, and the flowers are American Beauty roses and violets. The Sigma Phi Epsilon *Journal* is a monthly publication of the fraternity.

The Illinois Delta Chapter, which is one of over one hundred chapters, was installed January 9, 1949,

and was composed of the former Gamma Nu and Phi Theta Beta local fraternities.

During this past year, the president was Kenneth Michalski, and the vice-president, Everett Pettis.

The major social functions of the year were the Christmas formal and the Annual Queen of Hearts formal dinner-dance.

Sigma Chi

Sigma Chi, one of the best known of college fraternities with its White Cross badge and Sweetheart Song, came onto the Bradley University campus a year ago with the acceptance of what was formerly Sigma Phi, 38-year-old local, as its 115th undergraduate chapter.

The third largest national fraternity and a member of the Miami Triad, Sigma Chi boasts an active graduate organization as well, with alumni groups in more than 100 cities meeting regularly to retain the brotherhood of their Fraternity far past college days and through a lifetime. The Fraternity is nearly a century old, founded in June of 1855 at Miami University, Oxford, Ohio.

President for the year 1949-50 was Jack Eakle, and vice-president, Gersh Tillotson.

Sigma Chi's Bradley chapter, Delta Rho, is strong in the fraternity tradition, ranking highly in scholarship, Inter-Fraternity athletics, campus activity, and varsity athletics.

Sigs have dominated the powerful Bradley basketball squads of the past three seasons with high-scoring Paul Unruh, Gene Melchiorre, Charles Grover, Dan Unruh, and Clarence Christe. High-jumper Jack Heintzman, holder of the all-time school record in the event, carried the name of Bradley through Europe with a collection of America's finest track stars last summer; and Jimmy Robertson is a promising young catcher in the New York Yankee farm chain.

The fraternity colors are gold and blue; its flower, the white rose. *The Sigma Chi Magazine* is the fraternity publication.

Pledges:

1st row: Wally Hunziker, John Huyler, Gene Matoin, Joseph Petti, Gerald Curran, John Poppell, William Weeks.

2nd row: William Anderson, William Nichol, Harry Croll, Gordon Lowery, Norman Phillips, Lyle Curran, Keith Forrester.

3rd row: Louis Landon, Richard Koepping, Robert Cohen, Wallace Hinton, Dave Schink, Dave Kirkpatrick, Harry Noble.

Tau Kappa Epsilon

In 1949, the seventy chapters of TKE celebrated the Golden Anniversary of their fraternity, which was founded in 1899. Beta Alpha, the forty-ninth chapter of Tau Kappa Epsilon, has risen quickly to prominence in college affairs in the four years it has been on Bradley campus.

The new TKE Chapter House at 101 Fredonia Avenue is one of the largest and most impressive of fraternity residences on campus. The new house enables TKE to sponsor more than forty social events during the school year. Along with these social events, the TKE's have successfully participated in all university

activities including the comprehensive Inter-Fraternity program.

Nationally known members of the "Cherry and Grey" are: Charles Walgreen, Stan Kenton, George Halas, Glenn Gray, Ronald Reagan, Lawrence Welk, and Senator Hunt of Wyoming.

For the year 1949-50, the president of the Beta Alpha Chapter was Robert Radcliffe, and Dean Miller served as vice-president.

Published quarterly, *The Bat* is the fraternity publication. The red carnation is the fraternity flower.

Psi Delta Omega

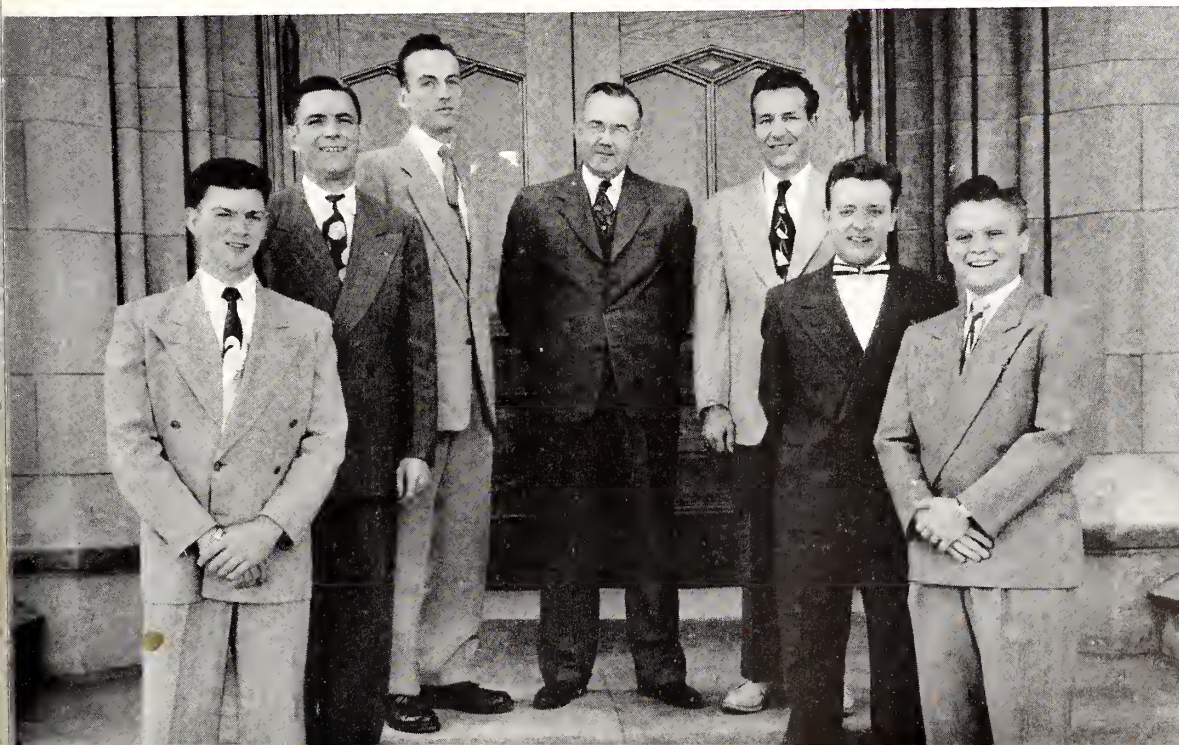

Psi Delta Omega, professional fraternity of the Bradley University School of Horology, is a national organization chartered by the State of Illinois. Organized at Bradley in the year 1916, it is one of the oldest fraternities on the campus, and retains the signal honor of having the National Headquarters, as well as the Alpha Chapter of the fraternity located here at the University.

Having a current membership, in this chapter, of 77 active members from the School of Horology, the fraternity can boast of having alumni in every state of the union, as well as in more distant regions such as Canada, Puerto Rico, Hawaii, and even Alaska.

Regular meetings of the fraternity are held semi-monthly in the banquet hall of the Lud Hotel on Main Street. Motion pictures, slides, forums, and lectures by prominent and technically qualified speakers all lend to supplementing the school's curriculum.

Participating actively in the most recent Homecoming Parade, the fraternity's elaborate and most appropriate float depicting "Father Time" was awarded the second place trophy.

President of the fraternity was Jack Carman, and vice-president, James Valentine.

THE UPPERCLASSMEN

AFTER we are college graduates, and someone we meet asks, "What class were you in?" each of us will proudly answer, "the class of 1950," or "class of '51." Perhaps the stranger, too, was graduated in the same year and we will have discovered a common ground for discussion. The conversation may concern those things, however small or insignificant they might have been, which we associated with college classes and classmates. It could be about an instructor who possessed an unusual sense of humor . . . an unexpected engagement between mutual friends . . . class members who had since become quite successful in their field . . . or how the campus and the student body have undergone a change since the

time of our graduation. This, of course, is an imaginative view of what may happen in the future, but it is true that we associate events with a special time and certain people. When we say "college," we think of thousands of people hurrying from place to place and we seldom expect to become acquainted with more than a small percentage of them. If we think of "class," however, we picture a

smaller, closely related group of which we are a more important part. This class usually includes our best friends; those with whom we attend lectures, chapels, meetings, and as seniors, Baccalaureate and graduation exercises. Our class group and its accomplishments constitute one of the biggest parts of college life.

Edward Eul, President
Betty Young, Secretary
Louis Steger, Treasurer

Graduating Seniors of 1950

College memories recall many events, both large and small; but one's senior year always seems to be outstanding whenever we chance to reminisce. The last year is so often the "stepping off" place for bigger and better things, and each event during these nine or ten months builds toward the climax of graduation. Many years from now, members of this senior class will remember the many projects and events which took place during their final year at Bradley . . . the building and dedication of the Robertson fieldhouse . . . the progress recorded as the new library began to take shape . . . and, the thrill of having four class members serving on the basketball team which was ranked number one in the nation. These things, and

many more, helped to make the last college link a strong one.

In a fall election the seniors chose as class officers: Ed Eul, president; Jack Errion, vice-president; Betty Young, secretary; and Roger Anderson, treasurer. Almost immediately, entertainment, endowment, and program committees were appointed. Highlighting the year's calendar was the annual Senior Ball in May, which featured Eddie Howard's Band. As graduation time drew near, each senior's schedule became crowded with memorable events, such as the traditional Passing of the Torch, the Senior Breakfast, Class Day, and Baccalaureate. Convocation exercises, held on June 12, marked the end of a very successful year for the class of 1950.

The Junior Class

To Be, Rather Than To Seem.

With this as its motto the junior class experienced a very active and profitable year under the capable direction of Larry Spidle, president; Bill Spangler, vice-president; Cal Schumann, secretary; and John Spinner, treasurer.

They chose bright blue and white as their class colors and selected the camellia as the class flower.

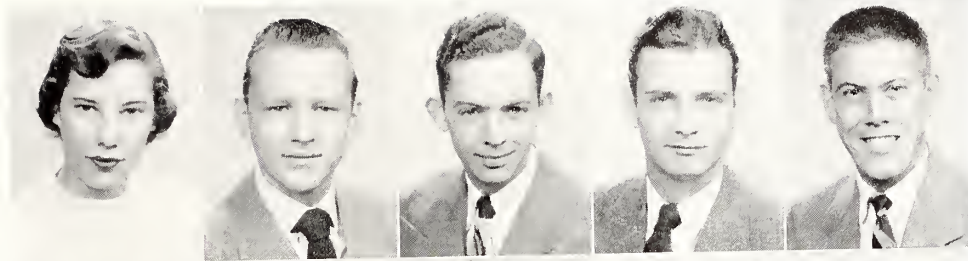

As their special project, the members of the 1951 class decided to landscape the circle on

Institute Place. Plans were made to plant trees and shrubbery in the circle in order to make it one of the most attractive spots on campus.

Their biggest event of the year was the traditional Junior Prom held on April 29th. This dance is eagerly awaited by all Bradley students and never fails to meet their expectations. Music, furnished by a name band, proved to be the feature attraction of the evening.

The junior class also took part in the Passing of The Torch Ceremony, in which they received the torch from the senior class.

ADVERTISING

THE three hundred and twenty pages of this yearbook were made possible by the fine firms whose names appear on the following pages. This, the largest yearbook in Bradley University history, was manufactured in four different states. The covers were made in Kingsport, Tennessee, the engravings in Indianapolis, Indiana, the photography in Peoria, and the printing in Iowa City, Iowa. These firms received the ANAGA contracts through competitive bidding, a

great American custom. Each spring when the student body is thinking of the present year's yearbook the Board of Control is already making arrangements for the following year. During the glorious summer vacation the editor and business manager are busy working out deadlines with the photographer, the engraver, the cover manufacturer, and the printer. Football season arrives and the staff is

busy with pictures and engravings. Christmas brings with it the advertising campaign. Baseball games and picnics bring on the printing date. Graduation brings the problem of distribution so common to every staff.

It has been a great year for Bradley Publications, a year of many new additions. The first year for the new name ANAGA, the first year for over ninety per cent of the senior class to have their pictures in the annual, the first year to have over three hundred pages.

When you return to Peoria for the "Gathering of the Tribe," remember to support these firms who have contributed so much to our campus life.

There's light for your next step!

You may know well the next step you wish to take in your upward climb after graduation. You may have in mind exactly the profession you wish to follow, the occupations you will choose — and as an American, are free to choose.

Yet you may be uncertain which step to take. You may not know that teaching, machine tool operation, farming, stenographic or sales work is your field.

AND HOW ARE YOU TO TELL?

There are people who can help you — who can discuss various fields of endeavor, who will talk with you about your aptitudes and interests. By all means discuss this most important step after graduation with your teachers, your parents and those engaged in activities which interest you. You will find all of them eager to pass along their experiences and to give you guidance if you wish it. They can throw light on your next step — and help you make your years ahead better in every way.

Congratulations on the step you have already taken — this step in education you are just completing.

Block & Kuhl store

BLOCK & KUHL
Company

and the door of each store is open to you . . .

the Graduating Class of 1950

Yes, Block & Kuhl has the welcome mat out for the youth of today . . . because we believe, as we always have, in the need for new blood, new ideas, new *people*. The retail business is built on people, not machines, and the need for ambitious, aggressive youth is endless. And it's a complex business, with a place for every type and talent . . . sellers, buyers, accountants, advertisers, artists . . . all are needed to create the great merchandising operation that brings the goods of the world to the retail consumer.

Just as B & K has grown and expanded from a small beginning, so too may the young man or woman who stands on the threshold of a new career grow and expand.

Block and Kuhl Company congratulates you . . . opens its doors wide . . . to heartily welcome bright futures of tomorrow . . . the Graduating Class of 1950!

Congratulations, Class of 1950

You who graduate this year are fortunate—fortunate because you live in an era when electricity has done so much to reduce the drudgery of mankind.

Low cost electricity has done much on the farm, in the home and in business and industry to release time that you can use in creative effort.

For all of you, the continuing development of the uses of electricity will make life easier and more enjoyable now and in the years to come.
